Mayor Stabilizes Tax Rate

*Statement of Mayor Kevin H. White
Re: Boston Tax Rate, September 12, 1977.*

I am announcing today that there will be no increase in Boston's property tax rate this year.

This is no small achievement for my administration — and we are pleased. We have devoted all of our energy over the past year to stabilizing the city's finances, and, I might add, we've done it against great odds.

The tax rate, in almost every suburb around us, is going way up this year. Boston is one of the only cities that will have no increase.

We did not hold the tax rate this year by accident or luck — but by hard work and very tough decisions:

— We cut costs, as a matter of fact, this year's budget was lower than last year's.

— We eliminated jobs, almost 1,000 since last December.

— We increased tax collections by more than \$6 million in the last four months alone.

But as important as these achievements are, we cannot be satisfied until we begin to find ways to lower property taxes. Because the taxpayers of Boston have carried an oppressive and unfair tax burden for too long.

In 1977, good management reforms helped us to hold the tax rate. This does not rectify past increases, nor does it guarantee the future.

Of one thing I am sure. Over the last year we have turned the corner in this city. We have emerged from a period of social turmoil and fiscal uncertainty into a more stable and hopeful time.

The evidence is everywhere:

- An expanding waterfront,
- The Faneuil Hall Market,
- A new Jordan Marsh,
- The Crosstown Industrial Park.

All of this, matched with the prospect of massive new development in the Navy Yard and the Army Base.

There is no doubt that we are entering a new period of great growth for the City of Boston — and we have a right, I believe — to be cautiously optimistic.

Our ability to hold the tax rate this year signals a new start. But it is only a prelude to a larger moral commitment that must be made by every responsible segment of our community.

- The state government,
- The business community,
- And the media,

To reform the property tax in this state, once and for all.

In Boston, we have begun the battle by putting our own house in order and holding the tax rate. Now I ask others to join us in the struggle to end the property tax burden.

MAYOR ORDERS INVESTIGATION OF MISTREATMENT CHARGES

Mayor Kevin H. White, on September 9, ordered an investigation into allegations of mistreatment of inmates at the Deer Island House of Correction.

The allegations, contained in a twelve-page, confidential report issued to the city by Assistant State Attorney General for Civil Rights Robert Bonin, centered around alleged beatings of two particular inmates during June and July of this year.

Mayor White said, "We will study the attorney general's report on the allegations, and use it as a point of departure for our own investigation."

Noting that the city was unable to chart its course of action until its investigation was complete, Mayor White promised some initial findings in the case within two weeks.

He added, "We were aware of the charges made by inmates at Deer Island, and looked into some of the allegations. However, we did not conduct a full-scale investigation for fear of jeopardizing the attorney general's investigation into the case."

Mayor White said, "Once our investigation is complete, we will take the appropriate action. Let me make it clear that we will tolerate no willful abuse of inmates in our custody at Deer Island. Mistreatment and abuse have no place in a modern penal system."

FREE ASTRONOMY LECTURES AT SCIENCE MUSEUM

Man's changing concept of the universe is revealed by today's new astronomical tools will be discussed by scientists from the Harvard-Smithsonian Center for Astrophysics in a free lecture series presented at Boston's Museum of Science this fall.

The eight popular lectures in the series, "New Windows on the Universe," will describe both satellite and ground-based observations of celestial phenomena such as quasars, black holes, pulsars, neutron stars, and X-ray bursters and how the discovery of each has offered new insights into the nature of the universe.

The series begins Wednesday, September 28, with "Why New Windows?" by George B. Field, director of the Harvard-Smithsonian Center for Astrophysics. His introductory talk will describe recent technological advances in instrumentation and their contribution to man's understanding of the evolution of the universe.

Other lectures, to be given on consecutive Wednesday evenings, are: "Radio Astronomy," by Eric Chaisson, October 5; "Infrared Astronomy," by Giovanni Fazio, October 12; "X-ray Astronomy," by William Forman, October 19; "New Optical Astronomy," by Herbert Gursky, October 26; "Ultraviolet Astronomy," by Peter Foukal, November 2; "Gamma-Ray Astronomy," by Trevor Weekes, November 9; and "Black Holes, Globular Clusters, and other Strange Things," by William Liller, November 16.

For adults, aged sixteen and above, the lectures will be given at 7:30 P.M., in the Museum's Cahners Theater. Each forty-five-minute lecture will be followed by a question-and-answer period.

Free tickets to single lectures may be obtained at the museum or by mail. A self-addressed, stamped envelope should be sent to the museum two weeks before each lecture. Remaining tickets will be available at the museum on the evening of the lecture.

"New Windows on the Universe" is the third in an annual series of free lectures sponsored by the Center for Astrophysics and the Hayden Planetarium of the Museum of Science with the support of the Lowell Institute.

The lecture series also will be offered as a course for credit through the Harvard University Extension Program. For course information only, call 195-4024.

WEST ROXBURY ART EXHIBIT

The Boston Parks and Recreation Department's adult art classes from Curtis Hall in Jamaica Plain, and the Roslindale and Hyde Park Recreation Centers are currently exhibiting their works in a showing at the West Roxbury Little City Hall, 1860 Center Street, and will continue to October 31.

The classes work in a variety of mediums, including acrylics, collage, and monoprint. Fall art classes will begin during the first week in October at Hyde Park on Mondays, 9 to 12, Curtis Hall on Wednesdays, 9 to 12, and Roslindale, 8:30 to 11:30, on Fridays. Registration will be held during class time by the instructor, Mary Ross. Make plans to join now!

MAYOR CRACKS DOWN ON TAX DELINQUENTS

Mayor Kevin H. White, on September 8, unveiled a graphic exhibition of twenty of the largest tax delinquents in Boston as part of his administration's program to force payment of back taxes and speed collections.

The Mayor removed a tarpaulin and exposed either the faces or properties of prominent, but tax delinquent property owners, including one state senator, a former City of Boston building inspector, a member of the Governor's Council, the Penn Central Railroad, one state representative, and several real estate concerns.

He said the public demonstration "was conceived to further set the mood for a concentrated effort to collect back tax revenues owed the City of Boston.

"It's not only the money owed that we are pursuing," Mayor White said. "We are trying to develop an awareness of and response to tax obligations. In many cases, these delinquent taxpayers have stonewalled efforts by the city to communicate with them on arrangements for payment."

The photos of tax delinquents or their properties were mounted on 22-inch-square backings and arranged on an 8-foot display unit inside City Hall.

The largest single delinquent corporate tax is the \$17 million in back property taxes owed by the bankrupt Penn Central Railroad. (The graphic exhibited was, of course, a Penn Central boxcar.)

The Boston Stock Exchange Building at 53 State Street was the single largest tax delinquent parcel, with \$2 million in unpaid taxes. A photo of that august institution also received prominent display.

An Eastern jet was highlighted as an example of a onetime tax delinquent that paid back taxes.

Among the faces depicted as part of the graphics exhibit were those of State Senator William Owens and former Boston Building Inspector Kenneth Flynn.

Also exhibited were three-decker tenements and apartment build-

ings, a business property, vacant lots, and a movie theater.

Following brief remarks on the tax collection campaign, Mayor White unveiled the display, which was accompanied by text reading:

"While the City of Boston routinely collects 93 to 95 percent of taxes billed each year, a small segment of this city's taxpayers evade their civic and legal obligations to pay their bills.

"Mayor White sees this as grossly unfair to the great majority of citizens who share the burden of paying the taxes which finance services for all Bostonians.

"In the interest of introducing equity into the city's system of tax collection, the Mayor has formed the Delinquent Tax Unit to identify the abusers and collect revenues owed.

"The people depicted here are a few examples selected from the list of tax delinquents. In most instances, the photos indicate only one of the outstanding debts for which the person is responsible."

The exhibit was one of a number of activities in recent weeks highlighting the crackdown on tax delinquents. On September 1, Mayor White ordered the impoundment of several taxicabs owned by tax delinquent corporations. Police called affected cabs into Police Headquarters on Berkeley Street and stripped off taxi medallions and number plates. That same afternoon, two owners of cab companies came up with \$5,000 and \$2,000, respectively, in partial payment of their back taxes, and made arrangements for further payments.

The same day, Assistant Collector-Treasurer Newell Cook traveled to Plymouth, Mass., in the company of two police officers and attempted to impound the helicopter of Attorney F. Lee Bailey, who owes the city \$18,000 in back property taxes on his law offices in Government Center. Mr. Bailey agreed to pay \$5,000 in partial payment of his taxes the next day.

Food prices are so high that even vegetarians are starting to beef.

SCARBOROUGH ART FAIR

The Boston Parks and Recreation Department's first annual Scarborough Art Fair will take place on Saturday, October 1, from 10 A.M. to 4 P.M., on the banks of Franklin Park's Scarborough Pond.

According to Commissioner Peter Meade, over 300 local artists and craftsmen have been invited to display their work at the fair. Many of the items being shown will be for sale.

In addition to the art exhibition itself, visitors to the fair can enjoy music and entertainment throughout the day.

"Boston is the home of a vast community of exceptionally talented artists and craftsmen. The Parks and Recreation Department is pleased to offer this opportunity for the public to view some unique and exciting work being done by local artists," said Commissioner Meade.

Scarborough Pond is located directly behind the Shattuck Hospital. It's a great place to spend an autumn day with the family, surrounded by the world of Boston art.

For more information on the Art Fair, call Tom King at 725-3083.

CITY SEIZES TAXIS FOR BACK TAXES

Mayor Kevin H. White has ordered a number of taxicabs seized for their owners' failure to pay delinquent excise taxes to the City of Boston. The Treasurer's Office estimates that more than twenty-five major taxi corporations owe the city approximately a quarter of a million dollars in back taxes.

The seizure orders were executed by Assistant Treasurer Newell Cook at Boston Police Headquarters. Mr. Cook acted under explicit powers assigned to the tax collector under chapter 60 of the General Laws of Massachusetts.

Mayor White said, "The corporations who own these cabs are among the biggest tax delinquents in the city. Paying taxes is the responsibility of everyone who lives in our community. Corporations are no more exempt than private individuals from paying their share

of the freight. We are going to continue to seek the full payment of all taxes rightfully due the city."

Assistant Treasurer Cook said, "These cabs are all owned by corporations which have defaulted on their tax payments. We are not seeking to bring hardship to taxi drivers, but we are seeking to exact the taxes from the corporations which own the fleets."

The cabs were called into the Police Headquarters on Berkeley Street by police officials, who are the licensing authority for the cabs. Then, Assistant Treasurer Cook impounded the vehicles under a civil warrant. Police tow trucks hooked the renegade vehicles and towed them to police holding lots.

Said Assistant Treasurer Cook, "We want to make the point that the city is serious about collecting overdue taxes. If the taxes are not paid on the vehicles, they will be sold at public auction for back taxes."

Mayor White added, "The failure of these taxicab-owning corporations to pay their tax bills is an insult to the tax-paying citizens of the City of Boston. It also is a clear display of disdain for the rules and regulations which govern the conduct of the taxi business in Boston."

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY.

Very truly yours,

PAUL R. TIERNEY,
Register of Deeds.

MDC PLANS A "HEALTHIER" CHARLES RIVER

The Metropolitan District Commission has begun a campaign to make the Charles River "healthier," according to MDC Commissioner John F. Snedeker.

Work has begun on the construction phase of a destratification project, involving the installation of five air diffusers in deep portions of the Charles River basin between a point above the Harvard Bridge and on the downstream side of the Longfellow Bridge. "The purpose of the diffusers," according to Commissioner Snedeker, "is to force salt water

from the bottom of the river up toward the surface to mix with oxygenated water. This eliminates hydrogen sulfide, allowing fish to feed on the bottom of the river. Water pumped from the bottom after destratification will also be free from noxious gases."

The diffusers will be activated as early as possible in the spring of 1978 to avoid interference with fish swimming upstream for breeding purposes later in the season. "When the water is thoroughly mixed the diffusers will be turned off," Commissioner Snedeker said, "and will not be turned on until we detect signs of stratification again at some later date. When all is said and done the project to improve the 'health' of the river water will permit pumping out of the Charles without injury to fish in the harbor and the causing of unpleasant odors near the new Charles River Dam."

Construction should be completed by March, 1978, with the work being done by Normac, Inc., a Westwood contracting concern, and costing \$534,583. Fifty percent of the cost will be funded by the Environmental Protection Agency.

"LEGION BUG": AN ENIGMA

The bug that, in August of 1976, struck a number of people attending an American Legion convention in Philadelphia with a fatal lung disease was unusually hard to track down. For months the government scientists at the Center for Disease Control in Atlanta, Georgia, worked at it — and got nowhere. Time after time they examined lung specimens and fluids from the people who had died: put them into microscopes, stained them with dyes to make germs visible, tried to cultivate the germs — if any — to make them more plentiful and therefore more easy to see. Nothing worked.

The scientists almost gave up. Months later, they were officially still searching for the germ. By December some, however, like CDC researcher Dr. Joseph E. McDade had gone back to the lines of research they had been following before the Legionnaire's disease incident happened.

Then Dr. McDade went to a Christmas party. A stranger at the party made a skeptical remark about the CDC effort to find the Legion bug, and that hurt Dr. McDade's pride. The day after Christmas he and his assistants went back to work on the Legion problem. Two weeks later, they had the answer.

The bacterium — not a virus, as was long suspected, nor a fungus, nor any other of man's microscopic enemies, just a bacterium — was found to have caused lung disease before. A mysterious outbreak of such disease in Washington, D.C. in 1965, and another one in Pontiac, Michigan in 1968, both involved the same bug. Since being tagged by Dr. McDade's hurt pride it has shown up in nineteen other cases in various states. But now we know it can be licked with antibiotics.

Fighting lung disease along with the CDC scientists is also the work of the American Lung Association of Boston — the "Christmas Seal" people, who care about every breath you take.

HUB'S CETA PROGRAM LAUDED

Boston's Public Service Employment Administration, CETA, has earned the highest rating possible from the Department of Labor in its nationwide assessment of all CETA prime sponsors during the last fiscal year.

That was the word today from Boston's CETA Director Michael D. Donovan. The rating means that the performance of Boston's Title I and Title II CETA programs has substantially met the goals and objectives established by the federal government in the administration of his program.

Said Mr. Donovan, "This report is an indication that prime sponsors are successfully managing large-scale, federal programs in the wake of massive hiring following the announcement of President Carter's economic stimulus package."

Calling Boston's implementation of the new jobs program, "very early a model program which has been scrutinized by Washington and

studied by other parts of the country," Mr. Donovan explained that three months ago there were 1,200 CETA jobs in Boston. But now, as a result of the package and rapid implementation, there are 2,000 CETA workers employed with another 1,000 jobs to be developed soon.

Because of the economic stimulus package Boston's CETA program has grown from a \$12-million to a \$30-million program.

Said Mr. Donovan, "I believe this rating is a reflection of the competence of the professional staffs of the city departments that are using CETA participants as well as the Boston CETA Administration itself."

The text of the Department of Labor's evaluation report written by Acting Associate Regional Administrator G. S. Brewer noted, "We are very pleased with the improvements Boston has made in the design and implementation of its CETA delivery system. We are also very pleased to see that significant progress has been and continues to be made in the operation of these programs."

The "eligible for funding" rating for Boston's program came after the Department of Labor spent three months assessing each grantee's programs and activities in order to determine the satisfactory implementation of current plans and compliance with the act and hiring regulations.

Responding to the recent allegations that some CETA jobs are granted in return for political work, Mr. Donovan said that many of CETA's local administrators have had no involvement in campaign work whatever. He added that competence and performance are the criteria for jobs and promotions in the Boston CETA Administration.

BUILDING DEPARTMENT

NOTICE TO CONTRACTORS

INVITATION FOR BIDS FOR DEMOLITION AND SITE CLEARANCE, PROJECT NO. 32, COMMUNITY DEVELOPMENT BLOCK GRANT.

The City of Boston, acting by its Building Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

- 357-357A Dudley Street, Ward 8.
- 359 Dudley Street, Ward 8.
- 361 Dudley Street, Ward 8.
- 363 Dudley Street, Ward 8.
- 365 Dudley Street, Ward 8.
- 72 Mt. Pleasant Avenue, Ward 8.
- 2 Newman Place, Ward 8.
- 62 Reading Street, Ward 8.
- 64 Reading Street, Ward 8.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 A.M., Thursday, September 29, 1977, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid

filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a twenty-seven-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Community Development Act of 1968 and Executive Order 11246. No bid shall be considered unless it is accompanied by a signed contractor's certification, as shown in the Affirmative Action Requirements, pages AAR-15 through AAR-18. A statement of work-force needs as required by section 3 and a section 3 Affirmative Action Plan, shall be required from the contractors prior to the contract award. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

5, 6, 7, AND 8.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for repairing and retubing boilers in various schools, City of Boston, in Districts 5, 6, 7, and 8.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, October 4, 1977, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$2,000. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcon-

tractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

ECONOMIC DEVELOPMENT AND
INDUSTRIAL CORPORATION

INVITATION FOR BIDS FOR REPAIRS TO STOP
LOG GUIDES, DRYDOCK NO. 3, BOSTON
MARINE INDUSTRIAL PARK, PROJECT
NO. 01-01-01464.

The Economic Development and Industrial Corporation of Boston has designated the Director of Public Facilities, Room 815, Boston City Hall, One City Hall Square, Boston, Mass. 02201, to act on its behalf as Administrator of this project in a manner consistent with other City of Boston projects.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, October 13, 1977, at the office of the Public Facilities Department, Room 815, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Copies of the contract documents, including bid forms, will be available on and after Monday, September 19, 1977, at the office of the Public Facilities Department upon depositing \$25 in cash or a certified check, payable to the Economic Development and Industrial Corporation of Boston, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit, in the form of a bid bond, cash or a certified check in the amount of \$1,000, made payable to and to become the property of the Economic Development and Industrial

Corporation of Boston if the proposal after acceptance is not carried out. The bid bond, if used, shall be with a surety company satisfactory to the owner and qualified to do business in the Commonwealth.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the owner, and each in the sum of 100 percent of the total contract cost will be required of the successful bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements, relating to Workmen's Compensation and conditions of employment and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program, and City of Boston Affirmative Action Compliance with Contract Specifications.

Attention is directed to the instructions to bidders, information for bidders, and the prohibition of abnormally high or low price for any item of work.

The Economic Development and Industrial Corporation of Boston reserves the right to reject any or all bids or to value any information in the bidding, if it be in the public interest so to do.

Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for construction of recreation facilities at Readville Playground and George H. Walker Playground.

Proposals will be received until 2 P.M., Boston time, Thursday, October 6, 1977, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, on Tuesday, September 27, 1977, and Tuesday, October 4, 1977, at 10 A.M., Boston time.

The information for Bidders, Form of Bid, Form of Contract, Specifications, and Forms of Bid Bond, Performance and Payment Bond, and other contract documents may be examined at the following:

The office of the Commissioner.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the Total Amount Bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on equal employment opportunity anti-discrimination and affirmative action program contract provisions. No bid shall be considered unless it is accompanied by

the "Certification of Bidder Regarding Equal Employment Opportunity," Pages B-9, B-10, and B-11 are properly filled out and signed by the bidder.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Public Works Employment Act of 1976, Amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$17,408 of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Orientals, Indians, Eskimos, and Aleuts.

Included with the contract documents are copies of "Contractor's Minority Business Utilization Report" form, "Certification of Minority Status" form and "Information on Minority Business" form, pages B-8A, B-8B and B-8C-1 through B-8C-5, respectively, of the bid proposal.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" for each minority subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under the contract. The report shall be completed and signed by the minority business enterprise and shall be submitted to the Awarding Authority by the bidder within five (5) days after the time set for receiving bids. At the city's discretion, one or more of the three (3) lowest bidders may also be required to submit the "Information on Minority Business" form.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through this department, to facilitate compliance with this requirement.

No bidder may withdraw his bid within thirty days after the actual date of receipt of approval of the federal government of the proposed award of the contract.

The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by both the Commissioner of Labor and Industries of the Commonwealth, and the United States Department of Labor. Where a conflict exists between the two wage determinations for any classification the contractor shall conform to the maximum "Minimum Wage Rate Determination," a copy of which schedules are annexed to the form of contract referred to herein. Copies of said schedules may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 A.M., Boston time, Monday, September 19, 1977, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and all legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152 to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company named in the United States Treasury Department's Circular 570, qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

**Proposals for Highway Reconstruction
in Putnam Street and Webster
Street in East Boston. Economic
Development Administration Project
No. 01-51-26780.**

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for highway reconstruction in Putnam Street and Webster Street in East Boston. Economic Development Administration Project No. 01-51-26780.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), sealed, marked "Proposal for Highway Reconstruction in Putnam Street and Webster Street in East Boston. Economic Development Administration Project No. 01-51-26780," and left at Room 714 (Con

act Office), seventh floor, City Hall, before 12 P.M. of THURSDAY, OCTOBER 6, 1977. Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders whose record on file at Room 714, City Hall, here will be a charge of twenty-five (\$25), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U.S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

MINORITY BUSINESS ENTERPRISE UTILIZATION REQUIREMENT

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least 35% of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Puerto Ricans.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority

Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages LPW 16, 17, 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 1:30 P.M., Monday, September 26, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

26 COURT STREET, BOSTON, MASS.

INVITATION FOR GENERAL BIDS FOR REPLACEMENT OF DOORS AND FRAMES IN THE BOYS AND GIRLS GYM AT THE SOUTH BOSTON HIGH SCHOOL, 95 G STREET, SOUTH BOSTON, MASS.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for replacement of doors and frames in the boys and girls gym at the South Boston High School, 95 G Street, South Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, October 5, 1977, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority.

The general bid must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$1,200. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do.

Included with the contract documents are copies of "Contractor's Minority Business Utilization Report" form, "Certification of Minority Status" form and "Information on Minority Business" form, pages B-8A, B-8B and B-8C-1 through B-8C-5, respectively, of the bid proposal.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" for each minority subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under the contract. The report shall be completed and signed by the minority business enterprise and shall be submitted to the Awarding Authority by the bidder within five (5) days after the time set for receiving bids. At the city's discretion, one or more of the three (3) lowest bidders may also be required to submit the "Information on Minority Business" form.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through this department, to facilitate compliance with this requirement.

No bidder may withdraw his bid within thirty days after the actual date of receipt of approval of the federal government of the proposed award of the contract.

The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by both the Commissioner of Labor and Industries of the Commonwealth, and the United States Department of Labor. Where a conflict exists between the two wage determinations for any classification the contractor shall conform to the maximum "Minimum Wage Rate Determination," a copy of which schedules are annexed to the form of contract referred to herein. Copies of said schedules may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 A.M., Boston time, Monday, September 19, 1977, upon the

deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and all legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152 to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company named in the United States Treasury Department's Circular 570 qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Proposals for Highway Reconstruction in Cass Street, Granfield Avenue, and Pomfret Street in West Roxbury; Monponset Street in Hyde Park. Economic Development Administration Project No. 01-51-26780.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for highway reconstruction in Cass Street, Granfield Avenue, and Pomfret Street in West Roxbury; Monponset Street in Hyde Park. Economic Development Administration Project No. 01-51-26780.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope sealed, marked "Proposal for Highway Reconstruction in Cass Street

Jranfield Avenue, and Pomfret Street in Vest Roxbury; Monponset Street in Hyde Park. Economic Development Administration Project No. 01-51-26780," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 P.M. of TUESDAY, OCTOBER 4, 1977.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be no charge of twenty-five (\$25), NOT RE-UNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U. S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of bid schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under Chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

MINORITY BUSINESS ENTERPRISE UTILIZATION REQUIREMENT

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$15,000 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 1 PW 16, 17, 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 1:30 P.M., Monday, September 26, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

INVITATION FOR BIDS FOR PROVIDING A REPAIR, MAINTENANCE, AND REPLACEMENT SERVICE FOR ALL INSTRUMENTS USED IN OPERATING ROOMS AT BOSTON CITY HOSPITAL, FOR THE PERIOD OCTOBER 10, 1977, THROUGH JUNE 30, 1978.

The City of Boston, acting by the Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for providing a repair, maintenance, and replacement service for all instruments used in the operating rooms at Boston City Hospital, for the period commencing October 10, 1977, and ending June 30, 1978, in accordance with specifications accompanying the proposal forms which may be obtained at the office of the Assistant Deputy Commissioner for Legal Affairs, Room 504, Administration

Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, September 19, 1977.

Bidders are required to leave at the above office their bid proposal, accompanied by a bid deposit in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the bid, in the sum of \$500, to become the property of the City of Boston if the proposal after acceptance is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done.

Bids will be publicly opened and read on Monday, October 3, 1977, at twelve noon, Boston time, at the office of the Assistant Deputy Commissioner for Legal Affairs at the address shown above. The successful bidder must furnish a performance bond in an amount equal to 50 percent of the contract price, said bond to be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

A performance bond and also a labor and materials or payment bond, each of a sure company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), sealed, marked "Proposal for Highway Reconstruction in Blake Street, Maple Street, Safford Street, Wachusett

Street, and Williams Avenue in Hyde Park. Economic Development Administration Project No. 01-51-26780," and left at Room 714 Contract Office), seventh floor, City Hall, before 2 P.M. of TUESDAY, OCTOBER 4, 1977.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be charge of twenty-five (\$25), NOT RE-UNDABLE, for each set of contract documents taken out.* If the bidder neglects to do so on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U.S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

MINORITY BUSINESS ENTERPRISE UTILIZATION REQUIREMENT
No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$36,000 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business

Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 1 PW 16, 17, 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 1:30 P.M., Monday, September 26, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

INVITATION FOR GENERAL BIDS FOR REPAIRING AND RETUBING BOILERS IN VARIOUS SCHOOLS, CITY OF BOSTON, IN DISTRICTS 1, 2, 3, AND 4.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for repairing and retubing boilers in various schools, City of Boston, in Districts 1, 2, 3, and 4.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, October 4, 1977, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority.

The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$1,500. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

General bids will be received until 11 A.M., Thursday, September 29, 1977, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening

of the general bids. In addition, no general bid filed by the three lowest responsible eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 15, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a sure company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

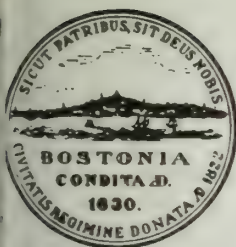

The Building Commissioner is allowing thirty-six-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, notice to all bidders (including subbidders) and the provisions with respect to bond, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Community Development Act of 1968 and Executive Order 11246. A bid shall be considered unless it is accompanied by a signed contractor's certificate as shown in the Affirmative Action Requirements, pages AAR-15 through AAR-18. A statement of workforce needs as required by section 3 and a section 3 Affirmative Action Plan, shall be required from contractors prior to the contract award. A bidder shall be eligible for award on a project unless he is able to demonstrate the satisfaction of the Awarding Authority his ability to comply with these requirements.

NO. 39

MBTA BOARD APPROVES 1978 BUDGET

The MBTA Board of Directors have approved a proposed budget for 1978 of \$258.5 million.

Budget Director Troy Y. Murray commented: "This is an increase of seven percent over this year's estimated spending, and marks the second consecutive year in which the MBTA budget has not exceeded the rate of inflation."

The budget provides for an overall increase in transportation service of about 3 percent, Murray said.

The increase in transportation service was accomplished without exceeding the rate of inflation by a productivity program of getting more work out of employees.

"Because of these productivity gains, our budget increase for 1978 is almost \$3 million less than it might have been," said Chairman Robert J. Kiley.

Budget Director Murray said: "Through an internal program of targeted productivity gains, the budget is able to provide for this increase in service along with other management priorities, despite unavoidable cost increases arising from the 1978 expense of 1977 cost-of-living adjustments, commuter rail subsidy expenses, fixed charges, and other miscellaneous surces. These unavoidable cost increases total \$17.8 million. However, our budget is increased by only \$16.9 million, and we are planning this rather significant increase in service."

"We hope to see a major increase in ridership with this new service. I would like to add that, for the second straight year, we do not expect to submit any supplementary budget for 1977."

Kiley noted that, in 1976, the first full year under his administration, the MBTA saved \$6 million over the 1976 budget.

In 1977, Budget Director Troy Murray told the board, the MBTA

will wind up saving \$3.5 million of this year's budget.

"Some of the improvement this year," said Kiley, "is through a drive to get more work out of some people who seemed to be in the habit of being sick on Mondays or Fridays. Tougher monitoring of absences yielded some excellent results. In the first six months of this year, this program gained 31,000 more hours of productive work."

"Those 31,000 active — rather than absent — hours translate into a productivity increase of nearly \$400,000, which equals the wages and fringes paid to 16 men for a full year."

Budget Director Murray estimated the continued drive to get more productive hours from workers would yield productivity gains in 1978 worth about \$2.9 million.

About \$2 million of that productivity "savings" would be plowed back into the system in the form of new priorities: a 3 percent increase in transit service, costing

\$1.3 million; a \$500,000 additional program to improve vehicle maintenance; and \$200,000 in other priority programs.

Some \$17.8 million in increased costs would be offset by the \$900,000 balance of the productivity "savings," thereby yielding an increase in the MBTA budget of \$16.9 million.

Murray said the principal cost increases stem from:

Inflation (\$11.2 million);

Decreased Federal aid for commuter rail (\$3.6 million);

— The interest cost of the new construction program's recent \$75 million issue of 10-year capital bonds (\$3 million).

The MBTA has awarded \$67 million in construction contracts so far this year, including the Braintree extension of the Red Line, the Southwest Corridor (South Cove Tunnel and Midland Branch restoration), the Charlestown bus garage, Mattapan Trolley Line station improvements, and other projects.

Murray listed these inflationary items:

Impact in 1978 of cost-of-living wage hikes in 1977 awarded through binding arbitration, \$4.8 million.

Inflation's impact on the cost of borrowing working cash month-to-month, on materials, on fuel, etc., \$3.9 million.

— Inflation in wages and materials on the commuter rail system north and south of Boston, \$2.5 million.

(Continued on next page)

The combination of a 7.6 percent increase (\$2.5 million) in commuter rail costs and a 72 percent decrease in Federal aid (from \$1.99 million to \$1.118 million) for commuter rail drove up the state and local taxpayer cost of commuter rail by 30 percent (\$6.1 million).

Commuter rail costs currently are high, in part, because of the deteriorated condition of the track and trains, which requires extensive maintenance. The Commuter Rail Improvement Program — an investment of up to \$200 million in predominantly Federal funds over the next several years — should reduce the level of maintenance required on the system, Kiley said.

Although the commuter rail costs are up \$2.5 million, Kiley said they would have been up by nearly a million dollars more if the MBTA had not gotten some productivity gains when it switched operators from Conrail to the Boston and Maine in April.

"That agreement with the B and M saved the taxpayers about \$950,000 this year and was essential to keeping commuter rail service. The savings came from the phase out — north and south of Boston of firemen — a job originating with the steam engine era; the phase out of a few other crew members, and extending the day's run for a locomotive engineer from 100 to 150 miles," Kiley said.

The deficit — paid by supplementary state aid and the property taxpayers in the 79 cities and towns of the Massachusetts Bay Transportation Authority district — will go up 6.4 percent from \$143 million currently to \$152.3 million in the 1978 budget approved by Kiley and the four other members of the MBTA Board of Directors. The budget will go to the MBTA Advisory Board on September 30, and those 79 local government representatives have until the end of the year to review it.

The MBTA carries nearly 500,000 people a day on 1,100 vehicles which travel 110,000 miles each day and stop at more than 8,000 bus stops and 60 rail stations. The commuter rail network (the "Purple Line"

operated for the MBTA by the B and M) carries 32,000 passengers on 156 vehicles which travel 10,000 miles a day and stop at 89 stations.

SALUTE TO ARABIC CULTURE

A series of lectures, films, and exhibitions celebrating the Arab heritage and genius will be presented by the Institute for the Study of Arab Culture and Learning and the Boston Public Library at the Central Library, Copley Square during the month of October.

Highlighting the salute will be "Arabic Contributions to Civilization: Astronomy to Astronaut," an exhibit of richly illustrated books, art objects, calligraphy, musical instruments, and artifacts which reflect Arab achievements in the sciences, history, literature, arts, philosophy, and cuisine. It will be on view from October 4 through October 31 in the Research Library and in the General Library lobby cases.

Opening the evening lecture series on October 3 will be Dr. Evelyn Shakir, researcher in Arabic history and teacher of English literature, and Dr. Elaine Hagopian, Professor of Sociology, Simmons College. They will discuss "The History of the Arabs in Boston."

MAYOR LAUDS NEIGHBORHOOD BUSINESSMEN

Hailing the small businessmen of the city's neighborhoods as major partners in Boston's successful battle to stabilize the tax rate, Mayor Kevin H. White saluted Gerard Adomunes at the opening of his new restaurant in Adams Corner in Dorchester on September 15.

Mayor White, following a walking tour of the Adams Corner retail area — an area which has begun a rebirth through renovations made possible by private investment and the Mayor's Neighborhood Business District Program — spoke of his Administration's support of neighborhood business at the opening of "Gerard's Sandwich Shop." The completion of the restaurant renovations marks the end of the second phase of a three-part reconstruction effort of a block of stores now owned by Adomunes.

Mayor White said, "We can cut city spending . . . and we have. We can vigorously pursue delinquent tax accounts . . . as we are now doing. But none of these steps can be effective without the cooperation of neighborhood business people, civic associations . . . people like ourselves . . . people like Gerard Adomunes."

Noting that the city has been anxious to aid the small businessmen, Mayor White cited the creation of the RESTORE program which provides for a 20 percent cash rebate for approved store improvements totalling less than \$5,000. At ribbon-cutting ceremonies for the new store, Mayor White presented Adomunes with his cash rebate check due under the program. He said that, in conjunction with the installation of new sodium vapor lights in August, the addition of a new police foot patrolman, and the \$500,000 park renovation

slated for Dorchester in November, that he could feel Adams Corner and the city experiencing new confidence and vitality after a long siege of both fiscal and social problems.

Mayor White added, "I feel it's about time the people of this city realized they have something to crow about. We've turned away a tax increase this year. We should feel good about it. We should be proud of our city and the people who have made it the success story it is — people like Gerard Adomunes."

"This year we will spend an additional \$1.5 million through Neighborhood Business District programs, like the RESTORE program which has assisted Gerard. I encourage all of you to follow his example and take advantage of these programs. If, together, the partnership of the city and private business can keep our neighborhoods alive and prosperous . . . then through strong and aggressive fiscal management a stabilized tax rate is possible. This year's rate, which I announced on September 12, testifies that it can and will be done. But let's not be mistaken. The cooperation and continued expression of faith by private business and the community that is so vividly demonstrated here is the real key to this effort."

Symbolic of the faith demonstrated by Adams Corner merchants in the past was the presence of Mrs. Mabel Adams at the ribbon-cutting ceremonies at Adomunes restaurant. Mrs. Adams, who is nearly 90 years old, and her husband, were the original owners of the store which they opened in 1908. She still lives a few blocks from the store.

Recognizing Mrs. Adams' contribution to the growth of the retail section, Mayor White paid her tribute.

"Your vision and courage in originally founding this store with your husband so many years ago are re-born again today through the commitment displayed by Gerard Adomunes in his renovation and re-opening efforts."

NEW APPOINTMENT

Mayor Appoints William Celester as Penal Commissioner for Deer Island.

Mayor Kevin H. White, on September 16, appointed Boston Police Detective William Celester, 34, of Roxbury as Boston's Penal Commissioner.

At a City Hall press conference, Mayor White said Celester "has the street experience and professional expertise to provide the leadership for the modernization and improvement in relations necessary at Deer Island."

Celester, a nine-year veteran of the Boston police, will take a leave of absence from the police force. He began his work at Deer Island September 16.

Celester served time at Deer Island when he was 17, on a charge of non-support. Mayor White said Celester's experience "is not a deterrent to his effective public service. In fact, on this job, it will give him some insights other candidates wouldn't have."

"I know Bill Celester will do a good job at Deer Island," the Mayor said. He has years of police experience. He is adept at community relations. He has a reputation for being tough but fair, and the penal commissioner's position requires a man with those attributes."

Celester has been active in black police recruiting and serves as president of the Afro-American Police Association in Massachusetts. He is chairman of the Attorney General's Commission on Blacks and Criminal Justice and he is a member of the Governor's Criminal Justice Committee.

His wife, Maggie, is a Boston police officer assigned to District 3 and his twin brother Larry, of Mattapan, is a detective on the police drug control unit.

Commissioner Celester was previously assigned to District 11 in Dorchester, and served in 1970 and 1971 as an investigator on the Attorney General's special investigative unit.

FALSE FIRE ALARMS KILL!

UNITED WAY "KICKS OFF" '77 CAMPAIGN

"The 1977 campaign goal is not some mystical figure," said Herb Roth, Jr., 1977 general campaign chairman. "Our campaign goal ought to be achievable and at the same time reflect a positive response to the human service needs of the community. Our goal for 1977 accomplishes both of those objectives."

To achieve the goal of \$18.6 million, an increase in giving of 12.4 percent is necessary.

"We must certainly begin," said Mr. Roth, "to bridge the gap between the income for human care services and community needs. That means we must set a goal which extends beyond the inflation factor which we all are so familiar with."

The goal is the result of much thought, examination, and discussion by Mr. Roth and the members of his Campaign Cabinet. It is also one, Mr. Roth said, "that every member of our team believes in and that will be met."

Each of the division chairmen has looked carefully at the sources of income from previous campaigns and the strengths and weaknesses which went into achieving those figures. Consequently they have devised a plan about what they will do differently this year to get a better result.

"Naturally," Mr. Roth continued, "if we want a different result, we must do things differently in the United Way Campaign just as in business."

"We have looked at areas of weakness to determine where we can broaden our base. We have tried to discern where we see that giving is not up to the level we feel the potential presents. We have looked at areas of giving among the corporate gift, the executive gift, and the employee gift to determine, by segment, the areas we feel we can improve upon past performances."

Herb Roth and his Campaign Cabinet have segregated many accounts so that each will receive individual attention. A pacesetter

account is being maintained in each division, and particular attention is being given to those as well. The cabinet has devised an aggressive pilot campaign program to get early returns which will give the campaign momentum. "By using the campaign returns from the pilots," Mr. Roth said, "we should be able to give the encouragement to the overall campaign that will put it over the top."

"In a nutshell," he concluded, "we have treated this year's campaign as a marketing effort as any business would do. We have designed a marketing campaign that will bring all of the normal forces into play to enable us to achieve an outstanding performance in 1977."

The drive for contributions began September 17, and will end November 17.

Tom Materazzo, Commissioner of the Veterans' Services Department, City Hall, is chairman of the City of Boston employees campaign. *Ed. note:*

CHILDREN'S MUSEUM REOPENS

The sound of children's laughter will return to the Children's Museum when the Visitor Center reopens Saturday, October 1 at 2 P.M.

From 2 to 5 p.m. there's a free, grand reopening party, and visitors can explore two new exhibits, Work and Meeting Ground, munch on Irish soda bread and Italian salami, drink tropical fruit punch and join in a performance of Tribal Rhythms with members of the Cooperative Artists Institute.

The Meeting Ground exhibit is packed with games, special activities, and information about Irish, Puerto Rican, Italian, and West Indian cultures.

A jukebox is filled with Irish step dance music, Jamaican reggae, Trinidadian steel drum bands, Puerto Rican salsas and Italian folk songs.

In the kitchen, visitors collect and donate recipes, try out cook-

ing utensils, and help prepare and eat ethnic dishes.

The migration section explains how and why people in the Boston area or their ancestors came here from their native countries.

In the games corner, visitors jump rope, play hopscotch, scopa, and la tombola.

The Work exhibit contains a general store and office, a gas station and garage, and a barbershop beauty shop. The work areas are equipped with uniforms and equipment such as a cash register, scale, adding machine, and a price-marking machine.

The Visitor Center at the Children's Museum is open Tuesday-Thursday, 2-5; Friday, 2-5 and 6-8; Saturday, Sunday, and Boston school holidays and vacations, 10-5. For information about exhibit special events, and travel information, call the What's Up Line at 522-5151.

FREE ART CLASSES!

Fall art classes for adults will be offered by the Boston Parks and Recreation Department at several locations throughout the city beginning during the first week in October.

The classes will be taught by Mary Ross, an accomplished artist whose works are included in the permanent collections of the Harvard Law School, Bristol Community College, and The First National Bank of Boston.

The class experiments with many diverse techniques and materials including watercolor, acrylics, collage, and monoprint. Students beginning and intermediate abilities are encouraged to join. Registration will take place at the first class meetings.

JORDAN MARSH OPENS NEW STORE

Text of Mayor Kevin H. White at opening of New Jordan Marsh store, September 15.

When Jordan Marsh began to build a new store near this site in 1949, President Truman called it a demonstration of "Faith in the future of the country, the commonwealth, and the city."

I think no less can be said today. Jordan Marsh, as everyone knows, is Boston's oldest and largest retail store. It has now seen fit to invest over \$35 million and years of labor for another, newer, bigger, and better facility. That is "faith," on a large scale.

But I think it's justified. Because Boston has entered a time of cooperation between the public and private sectors that is revitalizing its once decaying downtown:

— Part of a new pedestrian mall already completed.

— New sidewalks will be in place on Washington Street by the end of the year.

— The MBTA is refurbishing its downtown facilities and will open a pedestrian walkway under Winter Street in the next two years.

— Nearby we have, in Faneuil Hall Marketplace, one of the most successful, public-private, commercial experiments in the country.

At the same time, the city's finances are becoming more stable after a long period of uncertainty. I was pleased to announce earlier this week that the property tax will not go up this year. We're beginning to manage our resources better and make our tax money work harder.

Of course we will need the cooperation of the Commonwealth to fully solve Boston's revenue problems. We need an overhaul of the property tax system — but we're not going to hold our breath in

anticipation of that. Instead we're going to move ahead — make the hard choices of government on our own — and encourage in every way the economic recovery that a new complex such as Lafayette Place reflects.

Given that agenda, it is clear that Boston needs to attract first-class businessmen, for its future is to a great extent dependent on the faith and commitment of its merchants. In this respect the City of Boston has been very fortunate. For we've attracted, over the years, some of the foremost businessmen this nation has produced. Eben Jordan was clearly among them. He bet on Boston during the panic of 1857, because like every great businessman, he could see a prosperous future beyond a troubled present.

Jordan's faith has paid off—for himself and for Boston. I commend the people of Jordan Marsh for continuing and reconfirming that commitment. As Mayor of this city, I applaud your faith in Boston's future and I thank you.

INTERESTED IN STARS?

What better time than the cool, clear nights of fall to get acquainted with the night sky?

Opening today (September 25) at the Hayden Planetarium at Boston's Museum of Science is "Stars of Autumn," a program highlighting celestial activity of the season.

Fall is the season when traditional lore about the skies is especially intriguing, the Planetarium says. The full harvest moon in September recalls American Indians welcoming the light that extended their harvesting hours. The full hunter's moon in October was named by the Indians in recognition of the additional time it gave them to stock their larders for the winter.

Within Andromeda is the Great Spiral Galaxy, the most distant object visible with the naked eye. The Planetarium points out that the galaxy is seen now as it actually appeared two million years ago because its light has taken that long to reach the earth.

In the early morning hours during late September and early October the annual meteor shower of the Orionids, composed of debris from Halley's comet, occurs, peaking October 21. In the same period is visible the planet parade of Mercury, Venus, Saturn, Mars, and Jupiter. They are scattered across the southeast and eastern sky. Not visible, however, are the two Voyager probes now en route to Jupiter to photograph that distant world, and the two Viking spacecraft on Mars, which continue to make tests even though temperatures of 100 degrees below zero F. (about 70 degrees below zero C.) may be reached.

"Stars of Autumn" is presented daily and Friday nights through October 2 at a fee of fifty cents above Museum admission. Children under five are not admitted to the 40-minute program.

CELEBRATE NEW YEAR'S EVE: FREE

First Night 1978, the New Year's Eve celebration including over fifty free performing and visual art events in locations surrounding Boston Common, is requesting proposals for events.

Indoor locations house theater, music, mime, puppetry, poetry, dance, film, video exhibits and more. Outdoor activities feature the Procession, a candlelight march with giant visual objects and music, topped by midnight fireworks.

Proposals (for indoor events and the Procession), should include a description of the event, the number of people involved, the length of the event, technical and space requirements, background of the artist(s), the number of people the event accommodates if participational, and the fee. In order to maximize audience capacity First Night recommends that the majority of indoor events last around 30 to 40 minutes.

Proposals should be sent to First Night Inc., 250 Boylston St., Boston, MA. 02116. For information call 262-2610. The deadline for all proposals is September 15, 1977, with notification in early October.

REGISTRAR INAUGURATES INSPECTION AUDIT PRO- CEDURE

In an effort to ensure proper inspections of motor vehicles during the compulsory inspection period which began September 1, and ends October 15, Registrar of Motor Vehicles Alan Mackey has set up an audit procedure for Registry enforcement officers to spot check official stations throughout the state.

Mackey said that official inspection stations must continue to serve citizens honestly and efficiently and that any station which does not do so will lose the inspection license.

"We won't tolerate abuses of the vehicle inspection program. Not only do we lose public respect for the inspection process but, more importantly, the lives and safety of motorists and pedestrians are at stake. Adjusters who willingly or knowingly violate inspection requirements will lose their right to make inspections and stations which fail to maintain Registry standards will face immediate suspension," Registrar Mackey said.

Inspectors making spot checks of the 4200 official inspection stations will augment the work of the regular force of vehicle equipment inspectors who continually visit the stations throughout the year to check on facilities, equipment, security, and records of inspection checkers, and training of adjusters.

August 12.

Commissioner's Memorandum No. 77-84

To: All Bureaus, Divisions, Districts, Offices, Sections, and Units.

Copies to: All Superintendents, Deputy Superintendents, and Directors.

All candidates passing the written promotional examination for police lieutenant held November 27, 1976, will be scheduled to begin an Assessment Center during the week of September 19, 1977. This Assessment Center will include the following three different practical exercises:

1. In-basket exercise; 2. a problem-solving/analytic exercise; 3. a career interview.

This Assessment Center will be conducted in a somewhat different fashion from previous centers, in that there will be no follow-up interview on the in-basket and no group presentation following the analytic exercise. These exercises will be scored completely on the written work and will be scored anonymously; that is, assessors will not know whose paper they are scoring. All papers will be scored by the same assessors.

The career interview will be held before a three-member panel of assessors. The interview will focus on the officer's accomplishments during his career and on his plans/goal for the future.

The three exercises will be designed to measure the following dimensions or qualities that are important for lieutenants to possess:

1. Problem analysis; 2. judgment; 3. decisiveness; 4. dialogue skills; 5. motivation; 6. writing skills; 7. reaction to pressure; 8. adaptability; 9. sensitivity; 10. impact; 11. leadership; 12. planning and organizing; 13. delegation; 14. follow-up and control.

An overall score will be obtained for the combination of dimensions obtained on each exercise. The overall scores will

then be combined into a single Assessment Center score on practical exercises. That will be combined with the written score and score on training and experience for the final overall average mark.

Candidates will have the opportunity to attempt to disqualify assessors on the career interview, prior to the interview. Interviews will be scheduled during the week of September 19, 1977, and subsequent weeks. The selection of candidates for interviews will be done on a random basis.

Candidates will be informed of their overall score on the Assessment Center as soon as possible after the center is completed. Dimension scores will not be released. Candidates will be invited to a "feedback" session with the administrator of the center and the personnel director to discuss the dimensions and their overall performances. As in the past, candidates will be required to pass the Assessment Center with a score of no less than 70 percent in order to be considered further in the process.

All information on individual candidates from the Assessment Center, with the exception of the overall score, will be held in strictest confidence, with no access to the information except as directed by the Police Commissioner. Information derived from the center, including dimension scores, may be used by the Police Commissioner in evaluating candidates for promotion and in making assignments. All records of the center, except any that may be requested to be preserved by the Division of Personnel Administration, will be destroyed after the lieutenant's eligibility list, established as a result of this examination process, expires. This will be done so that outdated assessment information is not used for evaluation or assignment purposes.

There will be no appeal from the results of the Assessment Center beyond what is provided for in Massachusetts General Laws, chapter 31.

Inquiries should be directed to Michael Gardner, Personnel Division, on extension 1408.

EDA No. 0083-0

INVITATION FOR BIDS FOR RECONSTRUCTION OF HISTORIC PARK SITE AT JOHN HARVARD MALL.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for reconstruction of historic park site at John Harvard Mall.

Proposals will be received until 2 P.M., Boston time, Tuesday, October 18, 1977, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, on Tuesday, October 4, 1977, Tuesday, October 11, 1977, and Monday, October 17, 1977, at 10 A.M., Boston time.

The information for Bidders, Form of Bid, Form of Contract, Specifications, and Forms of Bid Bond, Performance and Payment Bond, and other contract documents may be examined at the following:

The office of the Commissioner.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the Total Amount Bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on equal employment opportunity anti-discrimination and affirmative action program contract provisions. No bid shall be considered unless it is accompanied by the "Certification of Bidder Regarding Equal Employment Opportunity," Pages B-9, B-10,

and B-11 are properly filled out and signed by the bidder.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Public Works Employment Act of 1976, Amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$30,430 of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Orientals, Indians, Eskimos, and Aleuts.

Included with the contract documents are copies of "Contractor's Minority Business Utilization Report" form, "Certification of Minority Status" form and "Information on Minority Business" form, pages B-8A, B-8B and B-8C-1 through B-8C-5, respectively, of the bid proposal.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" for each minority subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under the contract. The report shall be completed and signed by the minority business enterprise and shall be submitted to the Awarding Authority by the bidder within five (5) days after the time set for receiving bids. At the city's discretion, one or more of the three (3) lowest bidders may also be required to submit the "Information on Minority Business" form.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through this department, to facilitate compliance with this requirement.

No bidder may withdraw his bid within thirty days after the actual date of receipt of approval of the federal government of the proposed award of the contract.

The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by both the Commissioner of Labor and Industries of the Commonwealth, and the United States Department of Labor. Where a conflict exists between the two wage determinations for any classification the contractor shall conform to the maximum "Minimum Wage Rate Determination," a copy of which schedules are annexed to the form of contract referred to herein. Copies of said schedules may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract docu-

ments may be obtained at the office of the Commissioner at and after 9 A.M., Boston time, Monday, September 26, 1977, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and all legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company named in the United States Treasury Department's Circular 570, qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for repairs to sidewalks in various locations in the City of Boston in District 2 and District 8. Economic Development Administration, Project No. 01-51-20534.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), sealed, marked "Proposal for Repairs to Sidewalks in Various Locations in the City of Boston in District 2 and District 8. Economic Development Administration, Project No. 01-51-20534," and

ft at Room 714 (Contract Office), seventh floor, City Hall, before 2 P.M. of TUESDAY, OCTOBER 11, 1977.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the original duplicate to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to do so on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, painters, framers, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U.S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

MINORITY BUSINESS ENTERPRISE UTILIZATION REQUIREMENT

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$18,900 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 1 through 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise representative of the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 1:30 P.M., Friday, September 30, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$20,900 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form

(Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 1, PW 16, 17, 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 1:30 P.M., Friday, September 30, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

CITY OF BOSTON

PUBLIC WORKS DEPARTMENT

Proposals for Repairs to Sidewalks in Various Locations in the City of Boston in District 7. Economic Development Administration, Project No. 01-51-20534.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for repairs to sidewalks in various locations in the City of Boston in District 7. Economic Development Administration, Project No. 01-51-20534.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), sealed, marked "Proposal for Repairs to Sidewalks in Various Locations in the City of Boston in District 7. Economic Development Administration, Project No. 01-51-20534," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 P.M. of THURSDAY OCTOBER 6, 1977.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U.S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment

of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

MINORITY BUSINESS ENTERPRISE UTILIZATION REQUIREMENT

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$29,200 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 1 PW 16, 17, 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 1:30 P.M., Monday, September 26, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

INVITATION FOR BIDS FOR REPAIRS TO STOP
LOG GUIDES, DRYDOCK NO. 3, BOSTON
MARINE INDUSTRIAL PARK. PROJECT
No. 01-01-01464.
The Economic Development and Indus-

trial Corporation of Boston has designated the Director of Public Facilities, Room 815, Boston City Hall, One City Hall Square, Boston, Mass. 02201, to act on its behalf as Administrator of this project in a manner consistent with other City of Boston projects.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, October 13, 1977, at the office of the Public Facilities Department, Room 815, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Copies of the contract documents, including bid forms, will be available on and after Monday, September 19, 1977, at the office of the Public Facilities Department upon depositing \$25 in cash or a certified check, payable to the Economic Development and Industrial Corporation of Boston, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit, in the form of a bid bond, cash or a certified check in the amount of \$1,000, made payable to and to become the property of the Economic Development and Industrial Corporation of Boston if the proposal after acceptance is not carried out. The bid bond, if used, shall be with a surety company satisfactory to the owner and qualified to do business in the Commonwealth.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the owner, and each in the sum of 100 percent of the total contract cost will be required of the successful bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements, relating to Workmen's Compensation and conditions of employment and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program, and City of Boston Affirmative Action Compliance with Contract Specifications.

Attention is directed to the instructions to bidders, information for bidders, and the prohibition of abnormally high or low price for any item of work.

The Economic Development and Industrial Corporation of Boston reserves the right to reject any or all bids or to value any information in the bidding, if it be in the public interest so to do.

Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for reconstruction of Central Square and Richardson Park.

Proposals will be received until 2 P.M., Boston time, Thursday, October 20, 1977, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, on Tuesday, October 4, 1977, Tuesday, October 11, 1977, and Monday, October 17, 1977, at 10 A.M., Boston time.

The information for Bidders, Form of Bid, Form of Contract, Specifications, and Forms of Bid Bond, Performance and Payment Bond, and other contract documents may be examined at the following:

The office of the Commissioner.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the Total Amount Bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on equal employment opportunity anti-discrimination and affirmative action program contract provisions. No bid shall be considered unless it is accompanied by the "Certification of Bidder Regarding Equal Employment Opportunity," Pages B-9, B-10,

and B-11 are properly filled out and signed by the bidder.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Public Works Employment Act of 1976, Amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$10,400 of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Orientals, Indians, Eskimos, and Aleuts.

Included with the contract documents are copies of "Contractor's Minority Business Utilization Report" form, "Certification of Minority Status" form and "Information on Minority Business" form, pages B-8A, B-8B and B-8C-1 through B-8C-5, respectively, of the bid proposal.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" for each minority subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under the contract. The report shall be completed and signed by the minority business enterprise and shall be submitted to the Awarding Authority by the bidder within five (5) days after the time set for receiving bids. At the city's discretion, one or more of the three (3) lowest bidders may also be required to submit the "Information on Minority Business" form.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through this department, to facilitate compliance with this requirement.

No bidder may withdraw his bid within thirty days after the actual date of receipt of approval of the federal government of the proposed award of the contract.

The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by both the Commissioner of Labor and Industries of the Commonwealth, and the United States Department of Labor. Where a conflict exists between the two wage determinations for any classification the contractor shall conform to the maximum "Minimum Wage Rate Determination," a copy of which schedules are annexed to the form of contract referred to herein. Copies of said schedules may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 A.M., Boston time, Monday, September 26, 1977, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and all legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment, compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152 to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company named in the United States Treasury Department's Circular 570, qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 10 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

BRA REVITALIZING DOWNTOWN AREA

The Jordan Marsh project is being carried out within the context of a far-reaching redevelopment program for the city's retail district.

The Boston Redevelopment Authority has developed several public improvement projects for the downtown area. Already the BRA has completed part of what will eventually be a modified, pedestrian mall along the western side of Washington Street. From School Street to Winter Street, the BRA has widened and resurfaced Washington Street sidewalks and added brick paving. A plexiglas canopy, complete with new lighting, has been added to provide pedestrian protection from inclement weather.

By the end of 1977, the BRA will also have completed new sidewalk construction on Washington Street, adjacent to the new Jordan Marsh.

The BRA has proposed a program of pedestrian improvements that will include several mini-parks similar to those already constructed in front of the Boston Five Cents Savings Bank and next to Filene's. These plazas, designed as pedestrian rest areas, will be created at McKinley, Liberty, Old State House, and Post Office Squares. Other aspects of the pedestrian improvement program include new lighting, street resurfacing, and sidewalk repaving for more than twenty blocks in the Tremont to Devonshire Streets area.

The BRA is also in the final stages of planning an auto-restricted zone program that will cover the core of the retail areas. The zone runs from the intersection of Bedford-West Streets to Milk Street and will include parts of intersecting streets such as Temple Place, Winter Street, Summer Street, and Franklin Street. The auto-restricted zone will be in effect during daytime shopping hours and will enhance shopping convenience and ease for pedestrians. Only emergency vehicles and delivery trucks will be allowed in the zone.

BRA Director Robert F. Walsh said, "The Jordan Marsh project is the logical outgrowth of the vast rebuilding effort Boston launched in the early 1960s.

"Since that time this city has seen an unprecedented level of investment from the private sector. Today, half the office space in downtown Boston is less than fifteen years old. We also have seen significant growth in the number of hotel rooms and the revitalization of our waterfront has become a story that attracts nationwide attention.

"Boston has succeeded in creating more than 50,000 new jobs in the high-grade service activities such as finance, insurance, education, and medical research. Boston is the only older city in America which is no longer losing population. In fact, we are experiencing a modest increase in the city's population, particularly in the downtown neighborhoods.

"Needless to say, we are delighted that Jordan Marsh has completed construction of its downtown store and we see that project as providing impetus for continued growth in our downtown."

In addition, the Massachusetts Bay Transportation Authority is updating its facilities in the Central

Business District. At the Washington Street Station new facilities are being constructed to create a "free-zone" passageway between Jordan Marsh and other retail stores. The "free-zone" will be completed by early 1978.

The MBTA also plans to reopen and refurbish an existing tunnel under Winter Street to create a pedestrian link between the Park Street and Washington Street stations. This project is slated for completion in the spring of 1979.

BETTER BREATHING CLUB: SECOND SEASON

The American Lung Association of Boston's Better Breathing Club starts its second season at the Massachusetts Rehabilitation Hospital, 125 Nashua Street, Boston, on Thursday, October 6. The meeting will be held in the first floor Conference Room at 7:30 P.M.

Speaker for the evening will be John S. Urbanetti, M.D., pulmonary physician at New England Medical Center Hospital. Doctor Urbanetti will discuss anatomy and physiology of the respiratory system and the changes that occur in the lungs due to lung disease.

The monthly discussion group, sponsored in cooperation with the Massachusetts Rehabilitation Hospital, seeks to help lung disease sufferers understand and cope with their condition through education and by sharing experiences with others. Family members are also encouraged to attend.

For further information about joining the Better Breathing Club call the American Lung Association of Boston at 426-8330. It's a matter of life and breath!

FREE POLO EXHIBITION

Commissioner Peter Meade and the Boston Parks and Recreation Department will join with the renowned Myopia Hunt Club team in presenting Boston's first exhibition polo match on Boston Common, Saturday, October 8, at 12:30 P.M.

"City kids have never before had the opportunity to experience the thrills of this sport," said the Commissioner. "We are pleased to assist the Myopia team in introducing polo to an entirely new audience."

"Myopia" has been virtually synonymous with "polo" over the years. The club was one of five charter members in the United States Polo Association, founded in 1888. Today, there are over thirty active players, ranging in age from fifteen to seventy-two, and approximately 100 ponies, all privately owned.

The polo season at Myopia runs from May through October, with three practice games per week, and a tournament every Sunday.

Boston's exhibition match will be held on the Cusick Ballfield, Boston Common, located at the corner of Boylston and Charles Streets. Admission is free.

HARVARD LAUNCHES WALTER LIPPMANN MEMORIAL FUND DRIVE

President Derek C. Bok has announced a grant of \$100,000 to the Nieman Foundation for Journalism in memory of Walter Lippmann, Harvard, 1910. This grant, to be matched by external donations, is being made to help inaugurate a fund drive for the renovation and endowment of a new Nieman headquarters in an 1836 Cambridge landmark. The grant derives from a bequest that Mr. Lippmann himself left to Harvard at the time of his death in December, 1974.

In announcing the challenge grant, Mr. Bok said, "Walter Lippmann was a man of far-reaching influence in the shaping of American opinion and public policy over more than half a century. He single-handedly raised the standards of journalistic commentary — part of the original Nieman mission. It is entirely fitting that funds from the Lippmann gift be used to assist a program he helped found forty years ago, a program which has been of such value to the profession he loved."

The new Nieman headquarters — Walter Lippmann House — will be at One Francis Avenue, a structure built in 1836, in a Greek Revival style, by the Harvard College carpenter, Ebenezer Francis.

James C. Thompson, Jr., curator of the Nieman Foundation, welcomed President Bok's announcement. "For forty years now this program has lacked its own facilities for the Nieman Fellows and faculty and visiting speakers to meet in seminars. In more recent years we have wanted to find the right way to celebrate the unique contributions of Walter Lippmann to the field of journalism. Harvard's grant gives us a chance to do both."

To match the grant and also create a full endowment for Walter Lippmann House, Mr. Thompson has announced the launching of a Walter Lippmann Memorial Fund Drive to raise \$400,000. This drive will seek contributions from the wide range of journalists and others

who were friends and admirers of Lippmann.

The Nieman Fellowships were established at Harvard on the basis of a 1937 bequest by Agnes Wahl Nieman in memory of her husband Lucius W. Nieman, founder of *The Milwaukee Journal*. The first class of Nieman Fellows to attend Harvard on a nine-month sabbatical from journalism was appointed in 1938.

Nieman headquarters are currently located at 48 Trowbridge Street, Cambridge. These offices will also serve as headquarters for the Walter Lippmann Fund drive.

JOG-A-THON BENEFITS UCP

The first Boston Jog-A-Thon to benefit the programs of United Cerebral Palsy Association of Metropolitan Boston, will be held on Sunday, October 30, starting and ending at City Hall Plaza, Government Center.

Rico Petrocelli, general chairman of this exciting event invites men and women joggers, age sixteen and over, to participate in the five-mile jog through historic Boston and the Freedom Trail.

This will not be a road race. Participants will be able to run, walk, or use a combination of both. Prizes will be awarded.

Join Rico Petrocelli and jog or walk for UCP on October 30.

For sponsor sheets and additional information, call United Cerebral Palsy Association at 232-9850 or write to: United Cerebral Palsy Association, 358 Chestnut Hill Avenue, Boston, MA 02146.

HEALTH CLINIC RELOCATED

Effective Monday, October 9, 1977, the City of Boston Employee Health Service Clinic will be relocated at the new Ambulatory Care Unit, second floor. The new Ambulatory Care Unit is located at the corner of Massachusetts and Harvard Avenues.

The telephone numbers for making appointments will remain the same: 424-1032, 424-4674, and 424-5260.

NEPONSET HEALTH CENTER DEDICATED

Community Health Care is buttressing the city's efforts to provide medical care for Boston residents whose health needs might otherwise be neglected. Mrs. Kathryn White said on September 25, at the dedication of the new Neponset Neighborhood Health Center.

Mrs. White, speaking on behalf of the administration of her husband, Mayor Kevin H. White, said: "The Neponset Health Center has, in its short history, already proven the success and necessity of the city's Neighborhood Health Center Program. And the same success stories are coming from all forty of the city's health center sites. Low-cost, high-quality, medical care can be provided in the neighborhoods and Boston has proven it," Mrs. White said.

"But this has not always been the case. Prior to the inception of these health centers, Boston was in a sense a study in paradox. On one hand, our city was blessed by some of the finest medical facilities in the world. On the other hand, there were thousands of Boston residents who could not afford even the most basic care.

"The Neighborhood Health Center Program, which began during the White Administration, has done a remarkable job of providing high-quality, low-cost care to these individuals, and it has brought that care to the neighborhoods.

"The Mayor wants to see this program continue its fine record of service to the neighborhoods. The City of Boston, which contributed 70,000 of Community Development Funds toward this facility, will continue to give full support to these centers," she pledged.

The new health center, at 398 Neponset Avenue, is on the site of the former Minot School. It will have several times the floor space of the old facility which served 15,000 people in the last fiscal year, and will use the Health Center's capability of servicing 50,000 residents per year.

The new facility will cost about \$10 million and was funded primarily through a \$700,000 federal grant.

THE NUMBER ONE DINNER DANCE

The Annual Dinner Dance of the Municipal Clerks' Association will be held at Moseley's on the Charles, 50 Bridge Street, Dedham, Mass., on Tuesday evening, October 11, 1977, at 7 P.M.

As on previous occasions the affair is being held for the members, each of whom may bring a female guest. The dinner, which consists of delicious tenderloin of beef and chicken, will be served with all the fixings promptly at 7 P.M., during and after which we will be entertained by a special program of talent hired exclusively for this event. There will also be dancing and refreshments.

As is the custom at our Association affairs, tickets will be issued to members individually, or for a member and female guest. The burden of the cost, including tips for the meals, will be borne by the Association, with the assessment of tickets set at \$7 for a member, or \$14 for a member and female guest. Because arrangements must be made in advance, no tickets can be sold at Moseley's. Tickets will be sold to members (and members only) up to and including Friday, October 7, 1977.

In light of the successes of previous years, the Committee anticipates another enjoyable evening for the members and their wives or sweethearts.

For further information regarding the purchase of tickets contact William J. Coughlin, at the Auditing Department (Room M-4), or John Gorman, Room 709, City Hall, or your department representative immediately.

NEW APPOINTMENT

Patricia Linden has been appointed Deputy Director of Communications for the City of Boston, it was announced on September 21, by the office of Mayor Kevin H. White.

A native Bostonian, Ms. Linden has been an advertising professional, magazine editor, book author, columnist, and journalist for major publications including *Town &*

Country, Esquire, and Travel and Leisure. She has been a speech writer, contributing editor to *Boston* and *Art Direction* magazines, officer of the Boston Art Directors Club, chairperson for the Advertising Club of Greater Boston, lecturer, and television and radio talk show guest.

As president of her own advertising agency and as a writer and editor, Ms. Linden has been involved in a number of fields, including corporate and urban affairs. Says Mary Perot Nichols, Director of Communications for the city, "Ms. Linden brings to the government of Boston a special expertise in that she has explored and written about many of the leading cities of America, including Boston. Because her career reflects a particular passion for cities and especially for ours, I consider it a coup to have diverted her professionalism from private sector into government."

Ms. Linden has lived in the Back Bay for nearly two decades.

TRAFFIC FATALITIES DECLINE

Registrar of Motor Vehicles Alan Mackey reports that Massachusetts traffic fatalities decreased by forty-eight or 11 percent during the first seven months of 1977.

According to a release from the United States Department of Transportation, Region I, Massachusetts recorded the largest fatality decrease in New England. Connecticut, with a decrease of one, was the only other New England state to show a traffic fatality decrease.

Registrar Mackey had high praise for the increasing number of motorists and pedestrians who are becoming aware of the advantages of safe driving and helped to bring about this dramatic decrease in highway fatalities.

MOPED RALLY AIDS UNITED CEREBRAL PALSY ASSOCIATION

An exciting new community involvement event, cosponsored by the Boston Parks and Recreation Department and Honda of Boston, will take place at the Boston Com-

mon ballfield, on Sunday, October 23, 1977, at 9 A.M. The first Greater Boston Moped Rally will stress the safe operation of the growing phase of transportation while benefiting a worthwhile cause—United Cerebral Palsy Association of Metropolitan Boston. The event, which will draw Mopeders from all over eastern Massachusetts, anticipates 500 participants.

Cochairman Jack Hurley explains that, "A rally is not a road race, is a test of driver skill and knowledge of the road with the emphasis on the safe operation of the vehicle."

The course will encompass the route in and around the Boston Metropolitan Area. Prizes for the event are being generously donated by several Moped manufacturers. Topping the list of prizes are three new Mopeds. There will be many more prizes and refreshments will be served. Money will be raised for United Cerebral Palsy by participants getting their friends, neighbors, and business associates to sponsor them for a portion of the course.

Additional information and sponsor-registration forms can be obtained by writing to United Cerebral Palsy Association, 358 Chestnut Hill Avenue, Boston, MA 02146, or call 232-9850.

VETERANS' RETIREMENTS

The Boston Retirement Board has approved the following veterans' applications for retirement.

Paul V. Dirksmeyer, 1660 Main Street, Marshfield Hills, Mass., senior traffic engineer, Engineering Division, Traffic and Parking Department.

William H. Malone, 65 High Street, Charlestown, director of signal service, Signal Service Division, Police Department.

Jeremiah F. Brenna, 166 Broad Street, Revere, Mass., clerk of Court, Charlestown Municipal Court.

In showing an Englishman the sights of Boston, a native took the visitor out to the Bunker Hill Monument. "This is where Warr-fell, you know," the Bostonian explained.

The Englishman looked up at the tall shaft and commented, "Nas drop! Killed him, of course?"

FIRE DEPARTMENT ORDERS

August 26.

General Order No. 44

I. RETIREMENTS

The following retirements, in accordance with the provisions of section 5, chapter 2, G.L., will become effective at 0800, September 1, 1977:

Fire Fighter William G. Cudmore, Fire Prevention Division.

Fire Fighter Peter Miscovitch, Ladder Company 6.

Fire Fighter William E. Connolly, Ladder Company 19.

Fire Fighter Cudmore was appointed to the department February 3, 1947. Fire Fighter Miscovitch was appointed January 21, 1948. Fire Fighter Connolly was appointed April 7, 1948.

All of these members leave the department with the best wishes of their associates.

II. RESIGNATION

The following resignation became effective at 0800, August 13, 1977:

Fire Fighter on Probation Anton L. Cox, Engine Company 14.

III. FIRE ALARM BOX INSTALLED

The following box has been installed, and company commanders shall add it to their equipment card No. 70:

19-1481, Housing for the Elderly, 5 Oak Street West.

IV. COMPANY DRILLS

Officers conducting company drills shall use Standard Operating Procedure No. 21 "Recall System for Use in Case of Emergency" as subject matter for the drill period, August 28 to September 10, 1977.

V. COMMENDATIONS

Working Foreman John Miller and Fireman Robert O'Brien of the Fire Alarm Division discovered a fire at 109-1911 Columbus Avenue on August 1, 1977. They immediately sounded the alarm, entered the building which was heavily charged with smoke, alerted the occupants, and assisted in evacuation. They rendered first aid to those who were overcome by smoke.

The Fire Commissioner is pleased to commend Working Foreman Miller and Fireman O'Brien for these rescues which undoubtedly averted loss of life and extensive property damage.

The department responded to an alarm for fire at 27B Old Ironsides Way, District 20 on August 9, 1977. On arrival heavy smoke was showing, and they were informed a woman was trapped in the apartment. Fire Lieut. Edward J. Kavanagh of Engine Company 50 immediately entered the building to search for her, found her unconscious, and moved her to the street where she was given oxygen by members of Engine Company 36.

The Fire Commissioner is pleased to commend Lieut. Kavanagh for this rescue which was made before ventilation had been performed, without a gas mask, and under such trying conditions that he required first aid.

VI. FIRE ALARM BOXES ESTABLISHED

In the near future the following boxes will be installed, and the circuit numbers will be announced at that time:

13-1272, Fidelity Building, 82 Devonshire Street (Add to assignment card 1272).

12-2235, Madison Park High School, Building No. 1 (Add to assignment card 2235).

13-2235, Madison Park High School, Building No. 2 (Add to assignment card 2235).

14-2235, Madison Park High School, Building No. 3 (Add to assignment card 2235).

15-2235, Madison Park High School, Building No. 4 (Add to assignment card 2235).

16-2235, Madison Park High School, Building No. 5 (Add to assignment card 2235).

17-2235, Madison Park High School, Building No. 6 (Add to assignment card 2235).

VII. LETTER OF THANKS

"DEAR COMMISSIONER PAUL:

During the past week I was forced to call the police for help. My brother, who is a senior citizen, was unable to breathe, and in less time than it takes me to write this letter, Ladder 20 was at the door with the oxygen, and the finest crew of men I have ever seen, also the officers from Division 11. Had it not been for their fine work, my brother would not be alive today.

I hope you can find a few minutes in your busy day to commend these fine men from Ladder 20.

With heartfelt thanks and gratitude, I am

Gratefully,
CATHERINE T. CAREY,
11 Howes St., Dorchester."

August 31.

FALSE FIRE ALARMS KILL!

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without public advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

CONSULTING SERVICES

DEAR MR. MAYOR:

Permission is respectfully requested to dispense with public advertising and to award a contract for consulting services to Lawrence M. Foley, Jr., 89 Elm Street, Marblehead, Mass., during the period April 4, 1977, through June 30, 1977, at a cost not to exceed \$8,000.

Mr. Foley is an experienced programmer, analyst (see attached resume), and will be providing services to modify and enhance the parking ticket system. The benefits to the City of Boston will be in the ability to provide more timely data to improve the collection of monies owed by parking violations.

In view of Mr. Foley's special qualifications, I believe that no public interest would be served by public advertisement for bids.

Respectfully yours,

EDWARD T. SULLIVAN,
Director.

COMPUTER PROGRAMS

DEAR MAYOR WHITE:

I respectfully request your approval of the award, without advertising, of a contract to Johnson Systems, Incorporated, for the rental of a proprietary computer program, for the period beginning July 1, 1977, and ending June 30, 1978.

Johnson Systems, Incorporated, is the exclusive supplier of the product called the OS Job Accounting Report System. This product is necessary for the accurate accounting to user departments of all work done on the city's computer system. As Johnson Systems, Inc. is the sole supplier of this program product, public advertising would serve no useful purpose, and in the best interest of the city, we recommend approval of this request.

The total cost of this product will not exceed \$18,750.

Respectfully yours,

EDWARD T. SULLIVAN,
Director.

DEAR MAYOR WHITE:

I respectfully request your approval of the award, without advertising, of a contract to Computer Optics, Incorporated, for the leasing of computer terminals, for the period beginning July 1, 1977, and ending June 30, 1978.

The leasing of this equipment is required in order to efficiently perform the operations of the Data Processing Unit of this department. Since this is for the renewal of an existing contract for installed equipment, public advertising

would serve no useful purpose and in the best interests of the city, we recommend approval of this request.

The total amount of the contract will not exceed \$57,412.

Respectfully yours,

EDWARD T. SULLIVAN,
Director.

Purchasing Division PERISHABLE FOODS

DEAR MR. MAYOR:

On February 10, 1977, your Honor approved a letter of award for several contracts to several companies for furnishing perishable foods and other edible commodities to various city departments, from July 1, 1977, to June 30, 1978, inclusive.

Authority is requested to award a contract to the following named company for the above products and for the same period of time as indicated:

Woodridge Meat Company, 5 Foodmart Road, South Boston, Mass.

Respectfully yours,

FRANK F. CHIN,
Purchasing Agent.

OFFICE EQUIPMENT

DEAR MR. MAYOR:

This office is in receipt of a requisition from the District Attorney of the Suffolk County Court House for a Diable 44 disk Drive Density 200TPI and related items to augment and be compatible with existing equipment.

Since the District Attorney's office has been required as of April 1, 1977, to expand their storage capacity for defendant records, time is of the essence, and because this equipment will enhance the existing hardware to increase "on-line" storage capacity from 3,000 defendant records to minimum of 6,000 defendant records. For this reason and the availability of this piece at this time without a ninety-day waiting period, it is believed that public advertising would serve no useful purpose.

Authority is therefore requested to dispense with publicly advertising for bids and award a contract, without public advertisement, to Mini Computer Systems, Inc., 523 Executive Boulevard, Elarsford, New York 10523. In my opinion, the best interests of the city will be served by awarding the contract as indicated.

Total amount of contract is not to exceed \$8,500, net, which is an acceptable price negotiated with Mini Computer Systems, Inc.

Respectfully yours,

FRANK F. CHIN,
Purchasing Agent.

AUDITORIUM

SERVICING OF ELEVATORS

DEAR MR. MAYOR:

Your authority is hereby requested to dispense with advertising in the City Record, in awarding to Delta Elevator Service Corporation a full maintenance contract for servicing the two electric

passenger elevators, the two plunger electric passenger elevators, the three plunger electric freight elevators, and the four escalators in the city's John B. Hynes Veterans Auditorium, at 900 Boylston Street, Boston, during the period commencing July 1, 1977, and ending June 30, 1978, at a cost to the city of \$16,320. The contract is to include emergency repair callback service at any hour.

Each year, Delta Elevator Service Corporation has agreed to renew this contract with the Auditorium Commission with no increase in cost to the city. Again this year, Delta submitted a letter offering to renew the contract for the 1977-1978 year at no increase in price. As the services of this contractor have been very satisfactory, the Commission feels it would be in the best interest of the city to retain their services for another year and voted to accept Delta's offer.

Because of the professional nature of the work and services involved, it does not appear that any useful purpose would be achieved by advertising for bids for this contract. Therefore, we respectfully request your permission to dispense with advertising and award a contract to Delta Elevator Service Corporation, 50 North Beacon Street, Allston, in the amount of \$16,320.

Very truly yours,

ROBERT C. LINNELL,
Chairman.

BUILDING DEPARTMENT

BOARDING AND SECURING

DEAR MR. MAYOR:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings or structures are a menace to the neighborhood. The locations follow:

600-602 Massachusetts Avenue, Ward 9; 2077 Washington Street, Ward 9; 2079 Washington Street, Ward 9; 2083 Washington Street, Ward 9; 2085 Washington Street, Ward 9; 11 Armstrong Street, Ward 10; 133 Paul Gore Street, Ward 10.

Corrected letter of award, Community Development Block Grant, Project 14B. Letter of award dated April 7, 1977, and approved by Mayor on April 7, 1977, is corrected because building at 133 Paul Gore Street, Ward 10, was removed at time of bid thereby changing the cost of contract. Said building is now reactivated.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972 as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to board up and secure them.

Bidders were requested to submit an aggregate bid for boarding and securing of these buildings or structures.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following: Donald Clancy & Sons, \$3,680.

Donald Clancy & Sons, 339 Dorchester Street, South Boston, Mass., has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, is required in the City Charter of a contract in the sum of \$3,680, to Donald Clancy & Sons, 339 Dorchester Street, South Boston, Mass.

Very truly yours,
FRANCIS W. GENS,
Building Commissioner.

REPAIRING SIDEWALLS

DEAR MR. MAYOR:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings or structures are a menace to the neighborhood. The locations follow:

91 Florida Street, Ward 16. Project No. 2-S.W.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to repair sidewalks.

Bidders were requested to submit an aggregate bid for repairing of sidewalks of these buildings or structures.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:
D. Clancy & Sons Company, \$2,880;
Quona Construction Company, \$3,698.

D. Clancy & Sons Company, 339 Dorchester Street, South Boston, Mass. 02127, has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

Although only two bidders, the Commissioner awarded this contract so as to prevent further deterioration of an unsafe and dangerous condition.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, is required in the City Charter of a contract in the sum of \$2,880, to D. Clancy & Sons Company, 339 Dorchester Street, South Boston, Mass. 02127.

Very truly yours,
L. F. MARTIN,
(For) Building Commissioner.

RAZING OF BUILDINGS

DEAR MR. MAYOR:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow:

312-316 Blue Hill Avenue, Ward 8; 29 Ditson Street, Ward 15; 31 Ditson Street, Ward 15.

Emergency bid submitted in bid box — one copy to Auditing Department. Bid box opened by Office of Development and Construction. These buildings are in an unsafe and dangerous condition, a hazard to the general public. Community Development Block Grant.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the buildings or structures.

Bidders were requested to submit an aggregate bid for the entire lot of buildings or structures, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

Mystic Building Wrecking Co., Inc., \$7,676; Franklin Crane Service, Inc., \$8,900; James G. Grant Co., Inc., \$9,725; Napoli Wrecking Co., Inc., \$15,000; Circlepower Demolition Corporation, \$13,001.

Mystic Building Wrecking Co., Inc., 265 Carter Street, Chelsea, Mass. 02150, has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

Bids for the individual buildings or structures were not requested because it would be a practical, physical impossibility for several different contractors to conduct efficient contracting operations simultaneously in individual buildings or structures. Under such conditions, there would be much mutual interference and each contractor would be exposed to severe hazards not under his control, by the operations of adjacent contractors. I also believe that the aggregate cost of individual bids would be much higher than the cost of one bid for the total buildings or structures to be demolished, and that handling the buildings or structures as one unit results in one administrative cost to the city rather than what would result from handling the individual buildings or structures as separate bids and contracts. Unit handling results, however, in this case in a contract price of over \$2,000, or over the statutory limitations upon awards that can be made without advertising, unless your Honor approves the transaction.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$7,676, to Mystic Building Wrecking Co., Inc., 265 Carter Street, Chelsea, Mass. 02150.

Very truly yours,
RICHARD L. GRANARA, JR.,
For Building Commissioner.

COMMUNITY DEVELOPMENT

COMMUNITY SERVICES

DEAR MAYOR WHITE:

I hereby request your permission to dispense with bidding and to award a contract to the South End Project Area Committee, located at 20 Union Park in Boston, in an amount not to exceed \$38,500. Payment for this contract will be made from the third-year Community Development Block Grant.

Under the terms of the agreement, the committee will:

1. Monitor the development of the South End community, including the South End Urban Renewal and Community Development Block Grant programs.

2. Coordinate the South End's participation in the citizen participation process under the Community Development Block Grant program.

3. Publish a monthly newsletter for the South End community.

The period of performance will be from July 1, 1977, to December 1, 1977. This contract is to continue services to be provided under an earlier Agreement.

In view of the professional nature of services to be provided, the committee's status as a popularly elected body, established to coordinate citizen participation under, and to monitor implementation of city and federal programs, and the committee's past experience, I believe that public advertising will serve no useful purpose.

Sincerely,
E. OWEN DONNELLY,
Director.

DEAR MAYOR WHITE:

I hereby request your permission to dispense with bidding and to award a contract to the South End Project Area Committee, located at 20 Union Park in Boston, in an amount not to exceed \$27,000. Payment for this contract will be made from the second-year Community Development Block Grant.

Under the terms of the agreement, the committee will:

1. Monitor the development of the South End community, including the South End Urban Renewal and Community Development Block Grant programs.

2. Coordinate the South End's participation in the citizen participation process under the Community Development Block Grant program.

3. Publish a monthly newsletter for the South End community.

The period of performance will be from December 1, 1976, to June 30, 1977.

In view of the professional nature of services to be provided, the Committee's status as a popularly elected body, established to coordinate citizen participation under, and to monitor implementation of city and federal programs, and the committee's past experience, I believe that public advertising will serve no useful purpose.

Sincerely,
E. OWEN DONNELLY,
Director.

FIRE DEPARTMENT

APPARATUS REPAIRS

DEAR SIR:

I respectfully request your Honor's permission to award to Power Products, Inc., 295 Mishawum Road, Woburn, Mass., the task of performing extensive repairs to Rescue Company 2, in the amount of \$23,337.34, on service order No. 7095-77.

The service order is covered under Contract No. RS 001 for Repetitive Services, for the year 1976-1977.

On November 15, 1976, the City Auditor and the Law Department gave permission for the Fire Department to follow this procedure due to the emergency nature of the work which involves critical fire-fighting equipment and which exceeds the \$2,000 limitation.

Very truly yours,

GEORGE H. PAUL,
Fire Commissioner.

DEAR SIR:

I respectfully request your Honor's permission to award to Woodward Spring Shop, Inc., d/b/a Woodward Frame and Body Alignment, 111 McGrath Highway, Quincy, Mass., the task of performing extensive repairs to the Hahn pump of Engine 3, in the amount of \$6,815.80, on service order No. 7524-77.

The service order is covered under Contract No. RS 001 for Repetitive Services, for the year 1976-1977.

Informal bids were obtained from three firms as follows:

Woodward Frame and Body Alignment, \$6,815.80; Middleboro Fire Apparatus, \$23,424; Hahn Motors, Inc., \$32,400.

The difference in price between Woodward Frame and Body Alignment and the above-mentioned other two bidders is due to the fact that Woodward Frame and Body Alignment will install a Cincinnati cab to replace the damaged existing cab which we are purchasing at a cost of \$8,662.50 from Fire Trucks, Inc., as the result of a contract to be awarded through the Purchasing Division. By obtaining the cab in this manner, the total cost to repair this truck will amount to \$15,478.30, as compared to the other two bids, both of which include the cost of repairs plus the cost of a new cab.

In accordance with an agreement between the City Auditor and the Law Department on November 15, 1976, this permission is requested due to the emergency nature of the work which involves critical fire-fighting equipment and which exceeds the \$2,000 limitation.

Very truly yours,

GEORGE H. PAUL,
Fire Commissioner.

HEALTH AND HOSPITALS DEPARTMENT

MEDICAL CLINIC

DEAR SIR:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby respectfully request your Honor's permission to renew, without advertising, the city's existing contract with the South End Community Health Center, Inc., for the period July 1, 1977, through June 30, 1978, at a cost not to exceed \$84,580.

Under this contract medical services are primarily for residents of the South End Community through the operation of a private, nonprofit, medical care clinic.

The South End Community Health Center, Inc., has operated this clinic for the past seven years with financial assistance from this department and in our judgment it is a vital provider of health services in the community which must continue to operate.

Inasmuch as the South End Community Health Center, Inc., is specially suited by experience and expertise to provide this service to the city and since the services provided are of a personal and professional nature, we feel that no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

DAVID L. ROSENBLUM,
Commissioner.

HOUSING INSPECTION DEPARTMENT

Housing Improvement Program

LEASING CERTAIN PREMISES

DEAR MAYOR WHITE:

I respectfully request permission to dispense with public advertising in the *City Record*, for the leasing of approximately 1,400 square feet of space in the building located at 214 Bowdoin Street, Dorchester, and to enter into a lease with Ellsworth O. Beckstrom of 218 Bowdoin Street, Dorchester, for this space. The premises are needed by this department as a local office in connection with the Housing Improvement Program, a federally subsidized program.

The proposed lease is for a term of one year — July 1, 1977, to June 30, 1978 — with two consecutive options on the part of the city to extend the term for an additional year. The proposed rental fee is \$325 per month, with a tax clause of 20 percent.

It is my opinion that nothing is to be gained by public advertising as this location is suitable for conducting program activities.

Very truly yours,

JOHN A. VITAGLIANO,
Commissioner.

LAW DEPARTMENT

LEGAL SERVICES

DEAR MR. MAYOR:

I hereby request your Honor's permission to award a contract, without advertising, to Thomas H. Martin, Esq., for legal services. Mr. Martin, a former

Assistant Corporation Counsel, has been representing the city and the Boston Rent Board in certain litigation which raises challenges to rent control in federally subsidized housing. One of these cases has been tried and decided adversely to the city; the proposed contract will allow Mr. Martin to represent the city in an appeal to the Court of Appeals for the First Circuit. Two other cases are nearing decisions on the merits, one after a remand from the Supreme Judicial Court to the Housing Court of the City of Boston.

Mr. Martin has represented the city in these matters for five years, originally as an Assistant Corporation Counsel and subsequently under previous contractual arrangements which you approved. It is anticipated that these matters will be concluded during the current fiscal year.

Total payments under this contract shall not exceed \$9,500. The term of the contract will be from July 1, 1976, through June 30, 1977.

Because of the professional nature of the services involved, and because of Mr. Martin's unique familiarity with the matters in which he represents the city on the Rent Board, it is my belief that public advertising would serve no useful purpose.

Respectfully,

KEVIN MOLONEY,
Acting Corporation Counsel.

MANPOWER ADMINISTRATION

EMPLOYMENT PROGRAM

DEAR MAYOR WHITE,

I respectfully request your written permission to dispense with writing proposals by public advertising and to award a contract to the Executive Office of Manpower Affairs, the manpower planning and administration agent of the Commonwealth of Massachusetts, located in the Charles F. Hurley Building, Staniford Street, Boston, Mass., to render a public service employment program to residents of Boston for a total cost not to exceed \$450,000.

Funds for this contract will be provided from a federal grant to the City of Boston through the Comprehensive Employment and Training Act of 1973 P.L. 93-203. No City of Boston funds will be involved. The effective date of operation for the contract will be from April 15, 1977, through September 30, 1977.

Under the terms of this proposed contract the Executive Office of Manpower Affairs will carry out a public service employment program for Boston residents. All participants covered under the terms of this proposed contract will be verified as Boston residents by the City of Boston Public Service Employment Administration.

Due to the extremely unique nature of the contract and the fact that the agreement was specified by the grantor (Department of Labor), it is believed that useful or practical purpose would be served by publicly advertising for bids.

Respectfully,

JOSEPH R. DUGGAN,
Manpower Administrator.

INFORMATION SYSTEMS

DEAR MAYOR WHITE:

I respectfully request your written permission to dispense with inviting proposals for public advertising in the *City Record*, and to award a contract to the Key Entry Corporation, located at One Bullfinch Place, Boston, Mass. 02114, to operate and maintain the C.E.T.A. Public Service Employment management information system for a total cost not to exceed \$500.

The system, which provides the Public Service Employment Administration with means to project and plan data for federal reporting purposes, was formerly maintained and operated by the firm of Systems Development Corporation. However, the Systems Development Corporation will soon be leaving the Boston area and will no longer be able to perform these services. Our decision to select the Key Entry Corporation as successor to the Systems Development Corporation is based on their previous involvement as a subcontractor to the Systems Development Corporation, in maintaining and operating our system. Their experience as a subcontractor has enabled them to learn the specific details and features of our system such that no delays in service will result from the transition. In addition to having the proven capability to maintain and operate our computerized system, they have demonstrated capability in serving the Public Service Employment Administration's needs.

Funds for this contract will be provided from a federal grant to the City of Boston through the Comprehensive Employment and Training Act of 1973 P.L. 93-203, and will not have impact on the City of Boston budget. The effective date of operation of this contract will be from April 15, 1977, through April 14, 1978.

Because of the extreme importance of a properly maintained management information system, the previous experience of this firm, and the delays which normally accompany the transition to a new contractor, it is believed that no useful or practical purpose would be served by publicly advertising for bids.

Respectfully,

JOSEPH R. DUGGAN,
Manpower Administrator.

COORDINATOR SERVICES

DEAR MAYOR WHITE:

I respectfully request your permission to dispense with advertising in the *City Record*, and to award a contract to Paula Vosburgh, 363 Corey Street, West Roxbury, MA 02132. The contract will be in an amount not to exceed \$8,800. The period of performance will be from June 13, 1977, through December 31, 1977, at a per diem rate of \$60.

Under the terms of the proposed contract, Ms. Vosburgh will function as a coordinator for the WIN/CETA demonstration project in an effort to develop a successful WIN/CETA linkage which could be expanded through the Boston CETA Manpower delivery system. The

entire cost of Ms. Vosburgh's services will be paid out of administrative funds allocated to the city through a special WIN/CETA federal grant (\$99,000) to the City of Boston under the Comprehensive Employment and Training Act.

Ms. Vosburgh has had extensive manpower experience, and therefore it is my opinion that no purpose will be served by publicly advertising for bids.

Sincerely,

WALTER E. WILLIAMS,
Manpower Administrator.

PENAL INSTITUTIONS DEPARTMENT

FURNITURE RENTAL

DEAR MR. MAYOR:

I respectfully request permission to dispense with public bidding and to award a contract for the rental of office furniture to L. Goldstein and Son, Inc., 241 Brighton Avenue, Brighton, Mass. It is my conclusion that there is no public benefit to a bidding process.

The choice of this provider is predicated upon a number of considerations:

(1) This department received notice that its offices were to be relocated less than two weeks before the move, this provider had the capacity to fully equip the office in short order.

(2) The office furniture rental business is composed of many vendors with equipment which is inferior, and in poor condition. This provider had a substantial quantity of quality furniture.

(3) Inquires of two other potential vendors found that Goldstein's fees were less than the other for comparable quality furniture.

(4) The original agreement to provide this furniture was established by the Public Facilities Department, who agreed to assume costs of outfitting our offices for the first few months. At that time it was presumed that the department's relocation was not going to exceed six months. Under the original agreement, the fee would not have been sufficient for a contract. As it became apparent that the move was semi-permanent, we ordered new furniture, which has taken over five months for delivery as a result of clerical mistakes, and supply problems on the manufacturer's part resulting from the fuel shortages this winter. To change providers in the interim would have resulted in additional delivery costs which would have created an unreasonable burden.

It is anticipated that the costs of the above contract will not exceed \$6,400, for the period of July 1, 1976, to June 30, 1977.

Respectfully,
WILLIAM W. NICKERSON,
Commissioner.

POLICE DEPARTMENT

CAR RENTAL

DEAR MR. MAYOR:

Attached hereto is a copy of your original approval of award of a contract to National Car Rental Systems, Inc., 441

Stuart Street, Boston, for the short-term rental of motor vehicles.

It has now come to our attention that a copy of National's bid documents was, through inadvertence, not filed with the City Auditor as required by the advertisement for bids.

Since the failure to file the necessary documents with the City Auditor was not intentional and since National was the lowest bidder for the services advertised, I respectfully request that you approve the award of this contract, without further advertising, to National Car Rental Systems, Inc. All terms of the contract remain unchanged.

Very truly yours,

JOSEPH M. JORDAN,
Police Commissioner.

AUTOMOTIVE REPAIRS

DEAR MR. MAYOR:

On May 9, 1977, this department, by an advertisement appearing in the *City Record*, invited interested, competent persons customarily engaged in automobile repair work, located within a reasonable distance of the Boston Police garage, at 286 Adams Street, Dorchester, whether or not located within the City of Boston, to enter into a contract with the City of Boston for estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing the work of miscellaneous repairs to Police Department passenger automobiles, trucks, patrol wagons, and motorcycles, during the period July 1, 1977, to June 30, 1978.

Because of insufficient response to formal public bids in the past and the proven difficulty of separating mechanical from body work, the Police and Law Departments developed a method to allow bids on each damaged vehicle for work amounting to \$200 or more, with the lowest written offer in each case receiving the work. This method enabled the city to obtain the most economical prices per unit of work and to complete the work in the most efficient manner.

The May 9, 1977, invitation resulted in the following firms, located within a reasonable distance of the Boston Police garage, declaring their intent to enter into contracts with the city under the above conditions. I therefore respectfully request your Honor's written authorization to dispense with further advertising and to enter into a contract with the below-named firms:

Columbus Auto Body, Inc., 269 Washington Street, Dorchester; Arcand Sales and Services Inc., 229 Brighton Avenue, Allston; President Chevrolet, Inc., 540 Southern Artery, Quincy; Adams Automatic Transmission, 241 Old Colony Avenue, South Boston; Fitzpatrick Brothers, Inc., 150 Centre Street, Dorchester; Double "C" Corporation, d/b/a Aamco Transmissions, 1305 Dorchester Avenue, Dorchester; Cycle-Craft Co., 1813 Revere Beach Parkway, Everett; Alliance Auto Glass Service, 902 Dorchester Avenue, Boston; Mass. Glass Corporation, 163 Old Colony Avenue, South Boston; Hicks

(Continued on next page)

CONTRACTS AWARDED WITHOUT ADVERTISING

(Continued from previous page)

Auto Body, Inc., 10 Talbot Avenue, Dorchester; Robert Millen & Sons Co., Inc., 659 East Broadway, South Boston.

I propose to enter into one contract to be signed by each of the approved firms. In no event shall the payments to be made by nor the liabilities of the city under this contract for miscellaneous repairs of Boston Police vehicles for the period July 1, 1977, to June 30, 1978, exceed the total sum of \$400,000.

Very truly yours,

JOSEPH M. JORDAN,
Police Commissioner.

REPAIRS TO BUILDINGS

DEAR SIR:

On May 16, 1977, this department, by an advertisement appearing in the *City Record*, invited interested, competent persons and firms customarily engaged in performing miscellaneous building repair work, located within a reasonable distance of Boston Police Department buildings, whether or not, located within the City of Boston, to enter into a contract with the city for estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing repairs to Police Department buildings.

Because of insufficient response to formal public bids in the past and the repetitive need for minor repairs to Police Department facilities, the Police, Auditing, and Law Departments have developed a method to allow bids on work amounting to less than \$2,000 with the lowest written offer in each case receiving the work. This method enables the city to obtain the most economical prices per unit of work and to complete necessary repairs in the most efficient manner.

The May 16, 1977, invitation resulted in the following firms, located within a reasonable distance of Police Department buildings, declaring their intent to enter into a contract with the city under the above conditions. I therefore, respectfully request your Honor's written authorization to dispense with further public advertising and to enter into a contract with the below named firms:

Suffolk Specialties Co., Inc., 108 South Street, Jamaica Plain; Thomas J. Foley, 83 Chestnut Street, Boston; John W. Graham, 464 Albany Street, Boston; Alliance Glass Corporation, 902 Dorchester Avenue, Boston; Clifford Construction Co., Inc., 9 Oliver Street, Randolph; J. Stevens Co., Inc., d/b/a Stevens Hardware, 1823 Centre Street, West Roxbury; George Robbins & Co., Inc., 21 Soldiers Field Place, Brighton; J. McCusker, Inc., 755 Boylston Street, Boston; Bay State Service, Inc., 76 Kent Street, Brookline; D & F Plumbing & Heating Co., Inc., 375 Centre Street, Jamaica Plain.

John C. Harvey, d/b/a City Lock Company, 1977 Centre Street, West Roxbury; National Plate and Window

Glass Co., Inc., 216 McGrath Highway, Somerville; Patrick J. Kennedy & Sons Co., Inc., 64 Pembroke Street, Boston; Montserrat Limited, Inc., 85 East India Row, Boston; E. A. Berman Co., Inc., 307 West First Street, South Boston; P. J. Janis Co., Inc., 10 Brookley Road, Jamaica Plain; Edward J. Morin, d/b/a J. E. Morin, 32 Allerton Street, Boston; Robert Millen & Sons Co., Inc., 659 East Broadway, South Boston; Heritage Glass and Mirror Co., Inc., 311 Marrett Road, Lexington; John J. Murray, 1728 Dorchester Avenue, Dorchester; Leon F. Tracey, d/b/a New England Petroleum Company, 1094 Commonwealth Avenue, Boston.

I propose to enter into one contract to be signed by each of the firms. In no event shall the payments to be made by nor the liability of the city under this contract for the period July 1, 1977, through June 30, 1978, exceed the total sum of \$115,000.

Very truly yours,

JOSEPH M. JORDAN,
Police Commissioner.

PUBLIC CELEBRATIONS

MISCELLANEOUS RENTAL

DEAR MAYOR WHITE:

I respectfully request your permission to award a contract, without advertising, to Interstate Rental Service, 384 Amory Street, Boston, Mass. 02130, for the incidental and short-term periodic rental of red, white, and blue bunting placed on city buildings and city stages, and miscellaneous rentals such as chairs, tables, sound, etc. for the period July 1, 1976, through June 30, 1977, in an amount not to exceed \$4,500.

Interstate Rental Service is asked to perform these services because of their availability, reliability, and reasonable rates. It is a city-based business and is the only one of its kind in the city.

Because of the expertise of the contractor in providing such services, it is my view that public advertising would not serve any useful or practical purposes.

Sincerely,

ELIZABETH A. ROY,
Director.

PUBLIC FACILITIES DEPARTMENT

EMERGENCY DEMOLITION

DEAR MR. MAYOR:

Because of extensive damage from a fire on April 1, 1977, it has been determined by the Fire Department and the Public Facilities Department that the Washington-Allston School, 392 Cambridge Street, Brighton, Mass., is structurally unsound and presents an immediate serious danger to persons and property. Razing the building immediately by emergency procedure is considered the only solution under the circumstances.

Because of the exigency of the situation, I requested and received written approval from the Massachusetts Department of Labor and Industries to dispense with the requirements of section 44A, chapter

149, G.L. to dispense with public advertising, providing we obtained bids from at least three reputable contractors normally engaged in demolition work.

Accordingly, we requested and received bids from four demolition contractors with the following results:

Napoli Wrecking Co., Inc., \$39,995; John J. Duane Co., Inc., \$40,997; Mystic Building Wrecking Co., Inc., \$44,000; James G. Grant Co., Inc., \$65,000.

Your Honor's written approval, therefore, is respectfully requested, in recognition of the fact that an emergency situation exists, to authorize dispensing with public advertising for bids, and to award a contract for this work to Napoli Wrecking Company, Inc., 105 Norwell Street Boston, Mass., for \$39,995.

Very truly yours,

VICTOR E. HAGAN,
Acting Director.

ARCHITECTURAL SERVICES, ETC.

DEAR MR. MAYOR:

Pursuant to a vote of the Public Facilities Commission of April 8, 1977 I hereby request your Honor's written authority to dispense with public advertising and to award a contract to Arnold A. Jacobson, d/b/a Arnold A. Jacobson & Associates, architects, of 2464 Massachusetts Avenue, Cambridge, Mass.

Under the terms of the contract Arnold A. Jacobson & Associates will provide architectural and engineering services in preparation of plans, specifications, construction cost estimate, and will supervise the alterations and repairs to provide community shower facilities at the North Bennet Street Gymnasium in the North End District of Boston, at a cost for such services of 11.5 percent (1967 A.I.A. "B" rate, including 2.5 percent for A and R) of the presently estimated cost of construction of \$75,000 the cost of the now-proposed service not to exceed \$14,625 (including \$6,000 for supplementary services, of which \$5,000 is for the preparation of a Feasibility Study Report to identify a recommended program of space use and scope of work required for the continued full use of this building as a multipurpose recreation center).

In view of the professional and technical nature of the services to be performed, it is my judgment that public advertising would not serve the interests of the City of Boston.

Respectfully,

VICTOR E. HAGAN,
Acting Director.

PUBLIC WORKS DEPARTMENT

WATER WASTE SURVEY

DEAR MR. MAYOR:

The Pitometer Associates of New York have made several water waste survey of the Boston water system in the past fifty years and are well acquainted with the workings and operation of our system.

This company is currently under contract with the city. Within the past year they have located more than 200,000 gallons, per day, of wasted water due to

ground leaks which were quickly detected along with tests for accuracy of Pitot meters and twenty-four-hour measurements of the flow into various sections of the distribution system.

Recent studies have shown that the difference between the water purchased from the Metropolitan District Commission and the water actually billed to our water consumers strongly indicates that a number of areas should be investigated, including the monitoring of our system for leaks.

We have requested the Pitometer Associates to submit to the City of Boston a proposal for a Pitometer Water Waste Survey and other Pitometer tests of certain sections of the water distribution system of the City of Boston.

Inasmuch as I know of no other firm offering comparable services and since the proposed charges are not excessive, your permission is requested to dispense with public advertising of bids and to award a contract to the Pitometer Associates, Inc. for a water waste survey in the City of Boston not to exceed \$57,000.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

ENGINEERING SERVICES

DEAR MR. MAYOR:

Under the terms of the NPDES permit issued by the U.S. Environmental Protection Agency and the Massachusetts Division of Water Pollution Control under Public Law 92-500, the Clean Waters Act, the City of Boston was given approval for the design and construction of the projects: the Main Interceptor replacement, the East Side Interceptor replacement (North and South Branches), the Mount Vernon Street sewer. These projects would be funded by 75 percent federal and 15 percent state grants. All three projects were first proposed by Camp, Dresser & McKee, Inc. in their 1967 "Report on Improvements to the Boston Main Drainage System," a study commissioned by the Public Works Department.

In November, 1976, we advertised for statements of qualifications from interested consulting firms as the first step in the consultant selection procedure in accordance with E.P.A. regulations contained in 40 CFR 35.937. It was our intention that the consultant have the designs sufficiently advanced to meet the June 1, 1977, deadline for submission of plans to federal and state grants under the current priority list, since there is no guarantee of the availability of funding beyond that date. Twenty-three firms responded, of which eight local firms were selected for further consideration. During the interviews with these eight firms, it became apparent that Camp, Dresser & McKee was the best qualified to expedite the work, particularly in view of the tight constraints.

The extent of Camp, Dresser & McKee's experience with our system cannot be recalled. They have been closely involved with our ongoing, planning process

from the comprehensive "Report on Improvements to the Boston Main Drainage System" in 1967, through updates of the report in 1972 and 1975 to the Facilities Plan of November, 1975, which accompanied our Step II Grant Application. They have exhibited the highest professional competence in all previous work for the city, and since Camp, Dresser & McKee was responsible for the conception and preliminary planning of the three projects we are required to implement, they are uniquely qualified to carry on the work they have started.

Accordingly, your permission is requested to award a contract to Camp, Dresser & McKee, Inc., One Center Plaza, Boston, to provide the necessary engineering services for the Step II design of the Mount Vernon Street Sewer, the Main Interceptor replacement and the East Side Interceptor replacement as outlined in their proposal dated April 21, 1977. This engineering contract will involve the expenditure of \$1,003,572, which is comparable to what other firms would charge. This would be eligible for 75 percent federal and 25 state grants. The completion date would be eighteen months from the date of the award.

Respectively submitted,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

REAL PROPERTY DEPARTMENT ADVERTISING SERVICES

YOUR HONOR:

I respectfully request your written permission to dispense with inviting proposals in the *City Record*, for the awarding of a contract to the *Boston Herald American*, 300 Harrison Avenue, Boston, Mass.

This contract, to be entered into with the *Boston Herald American*, is to cover the weekly advertising of public auctions on foreclosed properties, and also the advertising for the leasing of parking facilities, under the control of this department.

The period of this agreement is January 1, 1977, through June 30, 1977. The total cost of this contract is not to exceed \$15,000.

In view of the circumstances, I feel that public advertising would serve no useful purpose.

Sincerely yours,

JOANNE A. PREVOST,
Commissioner of Real Property,
Chairman, Real Property Board.

SCHOOL DEPARTMENT

EVALUATION SERVICES, ETC.

DEAR MR. MAYOR:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to the Laboratory for Statistical and Policy Research for the evaluation of the 1977-78 ESAA Pilot Grants, during the period March 1 to June 30, 1977, at a cost not to exceed \$5,022.

The contractor shall conduct the evaluation of the two ESAA Pilot Grants by

completing the following activities: (1) prepare an evaluation design in accordance with ESAA Pilot Grant regulations; (2) collect data and insure documentation of all project activities for purposes of replication; (3) provide feedback concerning project progress and decisions regarding replicability; (4) prepare a final report (twenty-five copies); and (5) submit monthly logs of data collection and feedback activities to the Office of Evaluation.

Because of the recent recommendations from the Office of Education (HEW) and the short period of time remaining in the project year (March 1 — June 30) in which to implement these recommendations, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation, under the provision of G. L. c. 44, s. 53A, and is to be made subject to the receipt of funds under a grant from the Emergency School Aid Act, Grant No. G310-1-76-005.

Sincerely,

EDWARD J. WINTER,
Secretary.

GUIDANCE COUNSELOR SERVICES

DEAR MR. MAYOR:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to Maria Inez Grace, to provide services as a guidance counselor for the In-School Suspension Program at South Boston High School, during the period of April 5, 1977, through June 30, 1977, at a cost not to exceed \$6,825.60.

The contractor will serve as a guidance counselor and participate in the development of an educational plan for each student served by the program. The contractor will meet with each student and his parents to provide counseling services and will work with the community liaison workers to assess important information about the student's family situation that would affect his or her school progress. The contractor will be involved in efforts to secure employment for students in the program.

Because of the need to initiate the program during the present academic year and because of the counseling experience of this consultant, it is the determination of the School Committee that the public interest would not be served by public advertising bids.

This agreement is to be executed, without appropriation, under the provisions of G. L. c. 44, s. 53A, and is to be made subject to the receipt of funds under grant from the Emergency School Aid Act, Grant No. G00-76-054-63.

Very truly yours,

EDWARD J. WINTER,
Secretary.

PROJECT DIRECTOR SERVICES

DEAR MR. MAYOR:

I am writing this letter on behalf of the School Committee, and upon the recommendation of its Board of Superintendents to request your authorization for the award of a contract, without public advertising, to Mr. Mark L. Dorfman, for the position of project director for the Special Education Occupational Skill Training Centers at Hyde Park and Dorchester High Schools. Mr. Dorfman will be working under the Department of Special Services, Educational and Social Development Classes. Contract is to be charged to P.L. 90-576, No. D9177.

Mr. Dorfman will be paid as specified in the attached contract, at the assigned rate of \$24,000 for an eleven-month period. His duties and responsibilities will follow the guidelines in the contract and enclosed job description.

Mr. Dorfman has been selected because of his specific, and intensive educational and employment background in the administration and program delivery of services to moderate, special-needs students.

Thus it is in the public interest and the determination of the School Committee that this position be filled without public advertising.

Very truly yours,
EDWARD J. WINTER,
Secretary.

PERISHABLE FOODS, ETC.

DEAR MR. MAYOR:

The School Committee respectfully requests the approval of your Honor for the award of a contract, without public advertising, to the South Shore Packing, Inc., for the purchase of perishable foods and other edible commodities, for the period November 1, 1976, to June 30, 1977. The amount of this contract should not exceed \$1,000,000.

Very truly yours,
LEO J. BURKE,
Business Manager.

EDUCATIONAL MATERIALS

DEAR MR. MAYOR:

The School Committee respectfully requests the approval of your Honor for the award of a contract, without public advertising, to Butterick Publishing, for the purchase of books and certain other educational materials, for the period July 1, 1976, to June 30, 1977. The amount of this contract should not exceed \$1,000,000.

Very truly yours,
LEO J. BURKE,
Business Manager.

DEAR MR. MAYOR:

The School Committee respectfully requests the approval of your Honor for the award of a contract, without public

advertising, to Cebco Pflaum Standard, for the purchase of books and certain other educational materials, for the period July 1, 1976, to June 30, 1977. The amount of this contract should not exceed \$1,000,000.

Very truly yours,
LEO J. BURKE,
Business Manager.

MEDALS

DEAR MR. MAYOR:

Your authorization is requested for the award of a contract, without public advertising, to New England Trophy and Engraving Co., Inc. for medals to be awarded to a selected set of outstanding students in the Boston Public Schools, during June, 1977, at a cost not to exceed \$4,360.

Please see attached letter from Mr. John M. Gray, director, ESAA Project, for explanation of the contract being awarded, without public advertising, to New England Trophy and Engraving Co., Inc.

Very truly yours,
LEO J. BURKE,
Business Manager.

ALARM SYSTEMS

DEAR MR. MAYOR:

I request your approval of my action in awarding a contract, without public advertising, to the following firm for the supervision and maintenance of intrusion alarm systems presently in operation in six school buildings:

3M Alarm Service, 63 Washington Avenue, Chelsea, Mass. 02150.

The total amount of the contract will not exceed \$8,000, and the contract will be in effect from July 1, 1977, through June 30, 1978.

This company has been providing this service to the Department of Planning and Engineering for many years and is uniquely qualified to perform this work in these school buildings. In addition, this program operates in conjunction with the City of Boston, Public Facilities Department, Electronic Security Patrol.

It is my opinion that public advertising would serve no useful purpose.

Respectively yours,
ANTHONY L. GALEOTA,
Chief Structural Engineer.

DEAR MR. MAYOR:

I request your approval of my action in awarding a contract, without public advertising, to the following firm for the supervision and maintenance of intrusion alarm systems presently in operation in sixteen school buildings:

Special Agent Systems, 67 Pleasant Street, Watertown, Mass. 02172.

The total amount of the contract will not exceed \$20,000, and the contract will be in effect from July 1, 1977, through June 30, 1978.

This company has been providing this service to the Department of Planning and Engineering for many years and is uniquely qualified to perform this work in these school buildings. In addition

this program operates in conjunction with the City of Boston, Public Facilities Department, Electronic Security Patrol.

It is my opinion that public advertising would serve no useful purpose.

Respectfully yours,
ANTHONY L. GALEOTA,
Chief Structural Engineer.

DEAR MR. MAYOR:

I request your approval of my action in awarding a contract, without public advertising, to the following firm for the supervision and maintenance of intrusion alarm systems presently in operation in seventeen school buildings.

American District Telegraph, 11 North Avenue, Burlington, Mass. 01803.

The total amount of the contract will not exceed \$40,000, and the contract will be in effect from July 1, 1977, through June 30, 1978.

This company has been providing this service to the Department of Planning and Engineering for many years and is uniquely qualified to perform this work in these school buildings. In addition, this program operates in conjunction with the City of Boston, Public Facilities Department, Electronic Security Patrol.

It is my opinion that public advertising would serve no useful purpose.

Respectfully yours,
ANTHONY L. GALEOTA,
Chief Structural Engineer.

CHAPTER 766 SERVICES

DEAR MR. MAYOR:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to the Massachusetts General Hospital, Ambulatory Care Division, Fruit Street, Boston, MA 02114, for the providing of special educational services to twenty Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$11,600.35, from October 1, 1974, until June 30, 1977.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payment to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,
EDWARD J. WINTER,
Secretary.

DEAR MR. MAYOR:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to The Landmark School, 412 Ale Street, Prides Crossing, MA 01965, for the providing of special educational services to five Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$20,190, from September 1, 1976, until June 30, 1977.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,

EDWARD J. WINTER,
Secretary.

DEAR MR. MAYOR:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to The Little House, Federated Dorchester Neighborhood House, Inc., 25 East Cottage Street, Dorchester, MA 02125, for the providing of special educational services to nine Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$6,731, from January 31, 1977, until June 30, 1977.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,

EDWARD J. WINTER,
Secretary.

VETERANS' GRAVES REGISTRATION

GRAVES DECORATION

DEAR MR. MAYOR:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the following veterans' organizations: West Roxbury Post 167, American Legion, c/o Richard F. Brauer, 1826 Centre Street, West Roxbury, Mass. 02132; The American Legion Memorial Group, Mount Hope Memorial Committee, George K. Menichios Post 324, American Legion, c/o George Hantis, 1520 Veterans of Foreign Wars Parkway, West Roxbury, Mass. 02132; Greater Boston Camp 119, Sons of Spanish American War Veterans, c/o Kathleen A. Galvin, 570 Adams Street, Dorchester, Mass. 02122; and Boston Grand Army Memorial Day Committee, c/o David C. Bernner, 56 Carroll Street, West Roxbury, Mass. 02132.

The veterans' organizations have been decorating the graves and hero signs for years on Memorial Day.

Compensation under this contract shall not exceed \$12,769.72. The term of this contract shall be from May 1, 1977, to May 31, 1977.

Because of the unique nature of the services to be performed, it is my opinion that public advertising would serve no useful purpose.

Very truly yours,

DAVID E. GATELY,
Supervisor.

SUFFOLK COUNTY

District Attorney's Office

COMPUTER RESEARCH SERVICE

DEAR MR. MAYOR:

As District Attorney for Suffolk County, I respectfully request your Honor's written permission to dispense with public advertising in the award of a contract to Mead Data Central, 1000 Connecticut Avenue N.W., Washington D. C., 20036 in an amount not to exceed \$5,500, for the period of April 25, 1977, through June 30, 1977.

The purpose of this contract is to obtain a subscription to Lexis, a computer-assisted, legal research service for the Appellate Division in my office.

The rental cost for the equipment is \$550 a month and the cost for search time is dependent upon the time of day the computer is in use. This machine is only available through Mead Data General and is presently installed in our office. It was placed there as part of a national evaluation which gave this office free use for seven months.

For the above reasons, it is believed that public advertising would serve no useful purpose.

Sincerely,

GARRETT H. BYRNE,
District Attorney.

LEASING CERTAIN PREMISES

DEAR MR. MAYOR:

As District Attorney for Suffolk County, I respectfully request your Honor's written permission to dispense with public advertising in the award of a contract to F.L.I.H.I. Realty Trust, 1377 Dorchester Avenue, Dorchester, Mass., 02122, in an amount not to exceed \$3,100, for the period of February 1, 1977, through June 30, 1977.

Award of the contract is pursuant to a grant received by the City of Boston from the Law Enforcement Assistance Administration. The purpose of the grant is to allow the Suffolk County District Attorney's Office to continue the District Court Prosecutor Unit. In order for the Dorchester District Court Prosecutor Office to achieve its objectives, it was necessary that the project lease space in a building accessible to the courthouse area. The State Street Bank has been able to supply adequate office space in past years at a site that is necessary to the existence and operations of this project. The new owner of this property as of February, 1977, is F.L.I.H.I. Realty Trust.

For the above reasons, as well as the substantial security factors relating to the location of this project, it is believed that public advertising would serve no useful or practical purpose.

Sincerely,

GARRETT H. BYRNE,
District Attorney.

Boston Municipal Court

CANTEEN SERVICES

DEAR MAYOR WHITE:

I respectfully request your permission to dispense with public advertising and to award a contract to Paul White, d/b/a Paul's Canteen (a concession stand licensed by the Massachusetts Commission for the Blind), located on the first floor of the Suffolk County Courthouse, Government Center, Boston, Mass. This contract is to provide that Paul White d/b/a Paul's Canteen, located in the Suffolk County Courthouse, will provide sandwiches and soft drinks to the Boston Municipal Court for the purpose of providing lunches to prisoners and jurors.

Under the terms of the contract, the vendor will provide sandwiches and soft drinks based on the needs of the court as determined by the chief court officer for criminal business of the Boston Municipal Court for the purpose of feeding the prisoners and jurors. The advantages of contracting with Mr. White are as follows:

1. The location of the vendor within the Suffolk County Courthouse;
2. The type of food which can be provided by the vendor;
3. The speed in which an order can be filled, which includes the capacity of a vendor to respond to a short notice of the required number of lunches;
4. The relatively nominal cost of food.

(Continued on next page)

CONTRACTS AWARDED WITHOUT ADVERTISING

(Continued from previous page)

Compensation under this contract is not to exceed \$5,000 per year. The term of this contract shall be from July 1, 1977, to June 30, 1978. Because of the nature of the services to be performed and the unique advantages which this particular vendor provides, it is my opinion that public advertising will serve no useful purpose.

Sincerely yours,
JACOB LEWITON,
Chief Justice.

Registry of Deeds
AUTOMATED SYSTEM

DEAR MR. MAYOR:

I respectfully request your authorization to award a contract, without public advertising, to Processing Management, Inc., to conduct a study of the operation and procedures at the Suffolk County Registry of Deeds, at a cost not to exceed \$5,000, at the rate of \$160 per day, beginning in April, 1977, and to be completed no later than June 30, 1977. The purpose of this study would be to initiate a design and development of an automated system for storing, retrieving, and reporting of deed transactions, which would materially benefit and modernize the operation of the Registry with resultant substantial cost reductions.

The company has been selected because of its experience and expertise in the field of design and implementation of automated systems. It is, therefore, my determination that the public interest would not be served by public advertising for bids.

Very truly yours,
PAUL R. TIERNEY,
Register of Deeds.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

ADMINISTRATIVE SERVICES DEPARTMENT

Purchasing Division
DARKROOM EQUIPMENT

DEAR MR. MAYOR:

On April 29, 1977, your Honor approved a letter to award a contract for furnishing darkroom equipment to the Police Department, to Unicom, division of United Camera, Inc., the only bidder, on a publicly opened bid of April 21, 1977.

The transportation charge was inadvertently included in the approximate total amount of the contract as \$50, when in fact, it should have been \$500.

Permission is therefore requested to amend the original letter dated April 28, 1977, to have the approximate total amount of the contract read \$8,429.06, net, 30 days, which is the correct amount.

Respectfully yours,
FRANK F. CHIN,
Purchasing Agent.

POLICE DEPARTMENT MOVING AND STORAGE

DEAR MAYOR WHITE:

Enclosed is your original approval of award of a contract to C. Walsh, Inc., 100 Southampton St., Boston, Mass., for moving and storage services.

During the 1977 fiscal year the Police Department made several moves of department units that were unforeseen at the time of the award of this contract. The Tactical Patrol Force, the Mobile Operations Patrol, and the Identification Section were moved to new facilities which required a greater use of C. Walsh, Inc. than was originally anticipated.

Therefore, I respectfully request that you approve an amendment to the contract for moving and storage services by increasing the contract price from \$25,000 to \$29,000. All other terms of the contract remain unchanged.

Very truly yours,
JOSEPH M. JORDAN,
Commissioner.

PUBLIC FACILITIES DEPARTMENT SPACE USE STUDY

DEAR MR. MAYOR:

Pursuant to a vote of the Public Facilities Commission of April 8, 1977, I hereby request your Honor's written authority to dispense with public advertising and to enter into an agreement with Richard Dunn, d/b/a Dick Dunn Design, interior space designer, with offices at 120 Milk Street, Boston, Mass., amending a contract executed October 28, 1976, to provide feasibility studies for the interior space for various buildings, and from assembling or redrawing available drawings and surveys, or from data gathering, prepare complete sets of 1/4-inch scale floor plans, and written reports with recommendations to guide and discipline occupancy of said buildings, so as to increase the amount authorized for expenditure under the contract from \$10,000 to \$14,000.

This amendment provides for additional services in developing plans to reassign existing space use and to provide office space and facilities for newly created departments and service agencies.

Due to the provisions of the law to the effect that executed and existing city contracts may only be altered by a writing signed by all parties thereto, including the Mayor and contract surety, it would appear that public advertising would not serve the public interest.

Respectfully,
VICTOR E. HAGAN,
Acting Director.

BOSTON ARENA REPAIRS

DEAR MR. MAYOR:

Pursuant to a vote of the Public Facilities Commission of April 8, 1977, I hereby request your Honor's written authority to dispense with public advertising and to enter into an agreement with Edward J. Tedesco Associates, Inc., architects, of 48 Mount Vernon Street,

Winchester, Mass., amending a contract executed July 15, 1976, for architectural and engineering services for the design of the alterations and repairs necessary to continue the use of the facilities at building known as the Boston Arena, as to increase the amount authorized for expenditure under the contract from \$99,200 to \$109,200.

This amendment provides for certifying to determine whether the additional weight of a new facade can be supported on the foundation of the existing building.

Due to the provisions of the law to the effect that executed and existing city contracts may only be altered by a writing signed by all parties thereto, including the Mayor and the contract surety, it would appear that public advertising in this case would not serve the public interest.

Respectfully,
VICTOR E. HAGAN,
Acting Director.

CRITICAL PATH METHOD SERVICES

DEAR MR. MAYOR:

Pursuant to a recent vote of the Public Facilities Commission, I hereby request your Honor's written authority to dispense with public advertising in entering into an agreement with Project Management Services, Incorporated, a Pennsylvania corporation, registered to do business in the Commonwealth, with offices at the Strafford Building, Strafford Way, Pennsylvania, amending a contract executed September 27, 1974, as amended June 2, 1976, and November 3, 1976, to provide Critical Path Method (CPM) services in connection with the construction of the Campus High School, so as to increase the amount authorized for expenditure under the contract from \$70,375 to \$107,525.

This amendment extends the period of performance of the contract five months, increases the services to be provided to the city; and, in addition, provides for the services of a full-time furniture manager to coordinate all activities associated with specifications and layout, and will assist this department with bidding, awarding, and delivery of materials and special furnishings for the project.

Due to the provisions of the law to the effect that executed and existing city contracts may only be altered by a writing signed by all parties thereto, including the Mayor and the contract surety, it would appear that public advertising in this case would not serve the public interest.

Respectfully,
VICTOR E. HAGAN,
Acting Director.

PUBLIC WORKS DEPARTMENT

REFUSE COLLECTION SERVICES

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to United Contracting Co., Inc. of Boston,

141 Dorchester Avenue, Dorchester, for collecting and removing refuse in District Dorchester South, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$13,250 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$8,990.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$12,000, for a total amount not to exceed \$720,990.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to Omega Systems, Inc., 123 East Street, Dedham, for collecting and removing refuse in District 8, Hyde Park, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$7,395.98 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$395,725.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$1,500, for a total amount not to exceed \$397,225.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to SCA Disposal Services of New England, Inc., 140 Brookline Avenue, Boston, for collecting and removing refuse in District 6, West Roxbury, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$8,948 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$480,410.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present con-

tract by increasing the total amount to be paid by \$9,000, for a total amount not to exceed \$489,410.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to SCA Disposal Services of New England, Inc., 140 Brookline Avenue, Boston, for collecting and removing refuse in District 5, South Boston, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$4,731 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$256,350.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$3,000 for a total amount not to exceed \$259,350.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to SCA Disposal Services of New England, Inc., 140 Brookline Avenue, Boston, for collecting and removing refuse in District 4, Brighton, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$11,078 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$593,350.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$10,500 for a total amount not to exceed \$603,850.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to SCA Disposal Services of New England, Inc., 140 Brookline Avenue, Boston, for collecting and removing refuse in District 3, Dorchester North, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$11,848 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers

and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$636,950.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$13,100 for a total amount not to exceed \$650,050.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to Waste Control, Incorporated, 47-51 Richdale Avenue, Cambridge, for collecting and removing refuse in District 1A, Charlestown, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$1,815.38 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$98,215.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$2,000 for a total amount not to exceed \$100,215.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to Browning-Ferris Industries, Inc., 100 Hallet Street, Dorchester, for collecting and removing refuse in District 9, East Boston, from July 1, 1976, to June 30, 1977.

The contract provides for payment in the amount of \$6,690 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$358,190.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$900, for a total amount not to exceed \$359,390.

Respectfully,

JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On July 22, 1976, your Honor approved the award of a contract to S.C.A. Disposal Services of New England, Inc., 140 Brookline Avenue, Boston, for the dis-

posal of refuse from various districts of Boston, from July 1, 1976, to June 30, 1977. The contract provides for the disposal of refuse from District 1A, Charlestown; District 1B, Boston Proper; and District 5, South Boston, at the cost of \$14.40 per ton at a total cost of \$1,328,100.

The total cost of this contract was based on the amount of tonnage of refuse generated from the aforementioned three districts which, of course, can fluctuate. Therefore, because of the increase in tonnage over the estimated amount your approval is respectfully requested to amend the present contract by increasing the amount by \$18,000 and increasing the total amount to be expended under this contract not to exceed \$1,346,100.

Respectfully,
JOSEPH F. CASAZZA,
Commissioner of Public Works.

DEAR MR. MAYOR:

On June 22, 1976, your Honor approved the award of a renewal contract to United Contracting Co., Inc., of Boston, 1141 Dorchester Avenue, Dorchester, for collecting and removing refuse in District 7, Dorchester South, from July 1, 1976, to June 30, 1977, and on June 13, 1977, your Honor has approved a letter amending said contract by increasing the total amount to be paid by \$12,000. However, this amount has been determined to be insufficient.

The contract provides for payment in the amount of \$13,250 per week with provisions for the city to pay 75 percent of any increased labor costs during the renewal contract period, for truck drivers and helpers employed by the contractor under this contract. The total amount to be paid under this contract not to exceed \$708,990.

Therefore, because of underestimating the total cost of the labor increase under this contract, your approval is respectfully requested to amend the present contract by increasing the total amount to be paid by \$15,000, for a total amount not to exceed \$723,990.

Respectfully,
JOSEPH F. CASAZZA,
Commissioner of Public Works.

SCHOOL DEPARTMENT

GEOCODE SERVICES

DEAR MR. MAYOR:

On September 7, 1976, Title I Department, Boston Public Schools awarded a contract approved by your Honor, without public advertising, to John B. Young, 96 Argilla Road, Andover, Mass. 01810, for school year 1976-1977, at a cost not to exceed \$3,762.

Your authorization is requested to amend this contract so that the contractor may complete additional tasks as mandated by the State Department of Education. Contractor will determine eligibility of individual children within private/parochial schools by determining the geocode of each of these children from

student lists supplied by each private/parochial school. The cost of the contract, as amended shall, not exceed \$6,762. The time limit of the contract will remain the same, school year 1976-1977.

Because of the professional nature of the services to be provided under this contract and the expertise of the contractor in providing such services, it is the determination of the Board of Superintendents and the Boston School Committee, that the public interest would not be served by public advertisement for bids.

Very truly yours,
EDWARD J. WINTER,
Secretary.

CHAPTER 636 SERVICES

DEAR MAYOR WHITE:

On behalf of the School Committee of the City of Boston, I request your written authority to dispense with inviting proposals by advertisement and to award to Wellesley College, the following amendments to a contract for participation in the development of educational programs at Boston Latin School.

Change termination date from June 30, 1977, to August 31, 1977.

Because of the professional nature of the services to be provided under this contract and the expertise of the contractor in providing such services, it is the determination of the Board of Superintendents, and has been approved by the School Committee, that the public interest would not be served by public advertisement for bids.

Yours truly,
EDWARD J. WINTER,
Secretary.

TREASURY DEPARTMENT

Treasury Division

BOND ISSUE SERVICES

DEAR MR. MAYOR:

I request your permission to amend a contract for paying agency services with the First National Bank of Boston, dated March 1, 1977. The contract is for services in connection with the repayment of the city's bond issue of that date. This amendment would increase the maximum annual cost from \$3,750 to \$4,000. This increase reflects the additional duty of destruction of redeemed bonds and coupons which is added by the amendment.

Since the bank is presently servicing these bond issues, it would not be practical to advertise for bids in the award of this amendment.

Yours very truly,
JAMES V. YOUNG,
Collector-Treasurer.

DEAR MR. MAYOR:

I request your permission to amend a contract for paying agency services with the First National Bank of Boston, dated October 1, 1976. The contract is for services in connection with the repayment of the city's bond issue of that date. This amendment would increase the maximum annual cost from \$3,200, to \$3,450. This

increase reflects the additional duty of destruction of redeemed bonds and coupons which is added by the amendment.

Since the bank is presently servicing these bond issues, it would not be practical to advertise for bids in the award of the amendment.

Yours very truly,
JAMES V. YOUNG,
Collector-Treasurer.

DEAR MR. MAYOR:

I request your permission to amend a contract with The First National Bank of Boston, and to dispense with public advertising in doing so. The contract, dated March 1, 1976, and provides for paying agency services in connection with the city's March 1, 1976, bond issue. The amendment would fix the upper limit of payment under the contract at \$6,900 per year, subject to appropriation and would further refine the bank's responsibilities under the agreement.

As the bank presently serves as the paying agent and registrar for these bonds it would not be practical to advertise for the new work by this amendment.

Yours very truly,
JAMES V. YOUNG,
Collector-Treasurer.

CORRECTION OF DATES

DEAR MR. MAYOR:

On January 5, 1977, this department awarded a contract approved by your Honor, without public advertising, to Bradford Securities Operations, Inc., 10 Post Office Square, Boston, Mass.

The dates of the original award letter should have been from December 1, 1976, through June 30, 1977. Due to a typing error, the dates were listed from December 15, 1976, through May 1, 1977.

Sincerely,
JAMES V. YOUNG,
Collector-Treasurer.

ECONOMIC DEVELOPMENT AND INDUSTRIAL CORPORATION

INVITATION FOR BIDS FOR REPAIRS TO STOP LOG GUIDES, DRYDOCK NO. 3, BOSTON MARINE INDUSTRIAL PARK, PROJECT NO. 01-01-01464.

The Economic Development and Industrial Corporation of Boston has designated the Director of Public Facilities, Room 815, Boston City Hall, One City Hall Square, Boston, Mass. 02201, to act on its behalf as Administrator of this project in a manner consistent with other City of Boston projects.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, October 13, 1977, at the office of the Public Facilities Department, Room 815, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Copies of the contract documents, including bid forms, will be available on and after Monday, September 19, 1977, at the office of the Public Facilities Department upon depositing \$25 in cash or a certified check, payable to the Economic Development and Industrial Corporation of Boston, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit, in the form of a bid bond, cash or a certified check in the amount of \$1,000, made payable to and to become the property of the Economic Development and Industrial Corporation of Boston if the proposal after acceptance is not carried out. The bid bond, if used, shall be with a surety company satisfactory to the owner and qualified to do business in the Commonwealth.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the owner, and each in the sum of 100 percent of the total contract cost will be required of the successful bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be

paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements, relating to Workmen's Compensation and conditions of employment and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program, and City of Boston Affirmative Action Compliance with Contract Specifications.

Attention is directed to the instructions to bidders, information for bidders, and the prohibition of abnormally high or low price for any item of work.

The Economic Development and Industrial Corporation of Boston reserves the right to reject any or all bids or to value any information in the bidding, if it be in the public interest so to do.

Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

The City of Boston, acting by its Public Facilities Commission, through the Director of Public Facilities (the Awarding Authority), invites sealed general bids for the above-entitled project, in accordance with G.L., chapter 30, section 39M, and all other applicable provisions of chapter 30 and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Thursday, November 3, 1977, at the office of the Awarding Authority, Room 815, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference, on Thursday, at Room 815, at City Hall, at 12 noon, Boston time.

Proposals must be submitted in duplicate on the proposed forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$50,000. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals.

Contract documents, including bid forms, will be available on and after Thursday, October 6, 1977, at the office of the Awarding Authority, upon deposit of certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program con-

tract provisions. No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$68,000 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 18-22 of bid proposal, respectively.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within five (5) days after the time set for receiving bids. At the City's request, one or more of the three (3) lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the City through this department, to facilitate compliance with these requirements.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and

plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$1,000. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

INVITATION FOR GENERAL BIDS FOR MODERNIZATION OF LIGHTING SYSTEMS AND INTRUSION ALARM IN THE DAVID A. ELLIS AND ELIOT SCHOOLS IN BOSTON, MASS., UNDER THE PUBLIC WORKS EMPLOYMENT ACT OF 1976—EDA 88-01.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for modernization of electrical systems in the David A. Ellis and Eliot Schools in Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, October 26, 1977, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference on October 14, 1977, at Conference Room, first floor, 26 Court Street, at 9:30 A.M., Boston time.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$5,000. The general bid shall be filed before the time stated above for the opening of general bids.

NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES FULLY WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.

PURSUANT TO THE PUBLIC WORKS EMPLOYMENT ACT OF 1976, AS AMENDED (P.L. 94-369), THE CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST \$10,000 OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS AT LEAST 50 PER CENTUM

OF WHICH IS OWNED AND CONTROLLED BY MINORITY GROUP MEMBERS OR, IN THE CASE OF A PUBLICLY OWNED BUSINESS, AT LEAST 51 PER CENTUM OF THE STOCK OF WHICH IS OWNED BY MINORITY GROUP MEMBERS. FOR THE PURPOSES OF THE PRECEDING SENTENCE MINORITY GROUP MEMBERS ARE CITIZENS OF THE UNITED STATES WHO ARE NEGROES, SPANISH-SPEAKING, ORIENTAL, INDIANS, ESKIMOS, OR ALEUTS.

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "CONTRACTOR'S MINORITY BUSINESS ENTERPRISE UTILIZATION REPORT" FORM, "CERTIFICATION OF MINORITY STATUS" FORM, AND "INFORMATION ON MINORITY BUSINESS" FORM.

EACH BIDDER MUST COMPLETE, SIGN, AND FILE WITH HIS BID THE "CONTRACTOR'S MINORITY BUSINESS UTILIZATION REPORT." THE THREE LOWEST RESPONSIVE BIDDERS WILL ALSO BE REQUIRED TO SUBMIT A "CERTIFICATION OF MINORITY STATUS" FORM FOR EACH MINORITY SUBCONTRACTOR, SUPPLIER, OR VENDOR THE BIDDER PROPOSES TO USE TO PROVIDE SERVICES OR SUPPLIES UNDER THIS CONTRACT. THE REPORT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE BY THE BIDDER WITHIN FIVE (5) DAYS AFTER THE TIME SET FOR RECEIVING BIDS. AT THE CITY'S REQUEST, ONE OR MORE OF THE THREE LOWEST RESPONSIVE BIDDERS MAY ALSO BE REQUIRED TO SUBMIT THE "INFORMATION ON MINORITY BUSINESS" FORM.

CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE LIST OF MINORITY BUSINESSES TO BE PROVIDED BY THE CITY THROUGH THIS DEPARTMENT, TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, or the Federal Government Rates, whichever are higher, a schedule of both of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcon-

tractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

THIS PROJECT IS FUNDED UNDER THE COMMUNITY DEVELOPMENT BLOCK GRANT.

INVITATION FOR BIDS FOR FURNISHING AND PLANTING TREES IN THE CITY OF BOSTON, 1977, CONTRACT NO. 3.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing and planting trees in the City of Boston, 1977 Contract No. 3.

Proposals will be received until 2 P.M. Boston time, Tuesday, October 18, 1977 at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, on Friday, October 14, 1977.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the

Office of the Commissioner, designated above, and the other copy shall be filed at the Office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$6,000, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Community Development Act of 1974 and Executive Order 11246. A statement of workforce needs as required by section 3 and a section 3 Affirmative Action Plan shall be submitted with the contractor's proposal. These are forms AAP1-AAP6 and AAP8 and can be found at pages ST1-ST10 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract required to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 A.M., Boston time, Monday, October 3, 1977, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and all legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, for all persons to be employed under the contract, and sufficient proof of compliance

with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Site Preparation Contract Y-1 CDBG in the Downtown Waterfront, Faneuil Hall, Project No. Mass R-77 located in Downtown North District, City of Boston, Mass., until twelve noon, Boston time, on October 18, 1977, at City Hall, ninth floor, Room 910, Boston, Mass. (Attention: Engineering Department), at which time and place all bids will be publicly opened and read aloud.

A prebid conference will be held at 10 A.M. on October 7, 1977, at City Hall, ninth floor, Room 921, Boston, Mass., to discuss scheduling of the work and other matters.

The work to be done shall include construction to the degree of completeness shown on the plans of: Reconstruction and realignment in respect to curbing of Commercial Street, Richmond Street and Cross Street, including excavation, gravel fill, grading and bituminous concrete paving of the respective streets; removing and resetting of granite curbing; furnishing and setting of new granite curbing and pedestrian ramps; construction of City of Boston Standard Concrete and/or brick catch basins and manholes; adjusting frames and covers and/or grates; maintenance of existing and setting of new hydrants; planting of trees; constructing brick and concrete sidewalks, including hatchway and window well work; installing underground electric conduit and pull boxes, poles, electrical lighting fixtures, light control boxes, including all wiring, complete in place; and doing other associated and incidental work, in full accordance with the requirements of these specifications, and as directed by the Engineer.

Proposed forms of contract documents, including drawings and technical specifications, are on file at the office of the Boston Redevelopment Authority, Room 982, ninth floor, City Hall, Boston, Mass.

Copies of the contract documents may be obtained by depositing \$25 in cash or a certified check, payable to the Boston Redevelopment Authority, with the Boston Redevelopment Authority, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit in the form of a bid bond or cash or a certified check on, a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; (c) conditioned upon the faithful performance by the principal of the agree-

ments contained in the subbid of general bid. Bid deposits shall be in the amount equal to at least 5 percent of each proposal for Site Preparation Contract Y-1 CDBG.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price, will be required of the successful bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements relating to Workmen's Compensation and conditions of employment and to the Boston Redevelopment Authority's equal opportunity compliance policy, adopted February 20, 1969, and revised June 12, 1975, and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Antidiscrimination and Affirmative Action Program.

Attention is also directed to the Instruction to Bidders — Award of Contracts: Rejection of Bids and the prohibition of abnormally high and abnormally low prices for any class or item of work.

The Boston Redevelopment Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest to do so.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids, for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding of the contract.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with Section 3 of the Housing and Community Development Act of 1968 and Executive Order 11246. A STATEMENT OF WORK-FORCE NEEDS AS REQUIRED BY SECTION 3 AND A SECTION 3 AFFIRMATIVE ACTION PLAN SHALL BE SUBMITTED WITH THE CONTRACTOR'S PROPOSAL. THESE ARE FORMS AAP1-AAP6 AND AAP8 AND CAN BE FOUND AT PAGES ST1-ST10 OF THE CONTRACT DOCUMENTS. THIS REQUIREMENT WILL BE STRICTLY ADHERED TO. PROPOSALS SUBMITTED WITHOUT THE REQUIRED FORMS WILL BE REJECTED. NO BIDDER SHALL BE ELIGIBLE FOR AWARD ON THIS PROJECT UNLESS HE IS ABLE TO DEMONSTRATE TO THE SATIS-

FACTION OF THE AWARDING AUTHORITY HIS ABILITY TO COMPLY WITH THESE REQUIREMENTS.

Prebid Conference

Prospective bidders are requested to attend a prebid conference on Tuesday, November 1, 1977, at Room 815, at City Hall, at 12 noon, Boston time.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, no bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$54,000 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages 18-22 of bid proposal, respectively.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Enterprise Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" form for each subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within five (5) days after the time set for receiving bids. At the City's request, one or more of the three (3) lowest responsive bidders may also be required to submit the "Information on Minor-

ity Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the City through this department to facilitate compliance with these requirements.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U. S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Work-

men's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

MINORITY BUSINESS ENTERPRISE UTILIZATION REQUIREMENT

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Public Works Employment Act of 1976, as amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$9,800 of his bid price shall be expended for minority business enterprise. For purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Oriental, Indians, Eskimos, or Aleuts.

Included with the contract documents are copies of the "Contractor's Minority Business Enterprise Utilization Report" form (Exhibit E), the "Certification of Minority Status" (Exhibit F), and the "Information on Minority Business" (Exhibit G), pages responsive bidders will also be required to LPW 16, 17, 18 of bid proposal, respectively.

Each bidder must complete, sign, and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest submit a "Certification of Minority Status" form for each subcontractor, supplier, or vendor the bidder proposes to use to provide services or supplies under this contract. The certification shall be completed and signed by the Minority Business Enterprise by the bidder within 5 (five) days after the time set for receiving bids. At the city's request, one or more of the three lowest responsive bidders may also be required to submit the "Information on Minority Business" form (Exhibit G). Sufficient time will be allowed to complete this form if necessary.

Contractors shall also avail themselves of the "List of Minority Businesses" to be provided by the city through this department, to facilitate compliance with these requirements.

A prebid conference will be held at 2:30 P.M., Thursday, October 6, 1977, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**INVITATION FOR BIDS FOR CONSTRUCTION OF
RECREATION FACILITIES AT JOSEPH D.
McLAUGHLIN PLAYGROUND.**

The City of Boston, acting by the Commissioner of Parks and Recreation, herein-after referred to as the Commissioner, invites sealed proposals for construction of recreation facilities at Joseph D. McLaughlin Playground.

Proposals will be received until 2 P.M., Boston time, Tuesday, October 18, 1977, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, on Tuesday, October 4, 1977, Tuesday, October 11, 1977, and Monday, October 17, 1977, at 10 A.M., Boston time.

The information for Bidders, Form of Bid, Form of Contract, Specifications, and Forms of Bid Bond, Performance and Payment Bond, and other contract documents may be examined at the following:

The office of the Commissioner.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the Total Amount Bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on equal employment opportunity anti-discrimination and affirmative action program contract provisions. No bid shall

be considered unless it is accompanied by the "Certification of Bidder Regarding Equal Employment Opportunity," Pages B-9, B-10, and B-11 are properly filled out and signed by the bidder.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Public Works Employment Act of 1976, Amended (P.L. 94-369), the contractor must give satisfactory assurance that at least \$7,662 of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 per centum of which is owned and controlled by minority group members or, in case of a publicly owned business, at least 51 per centum of the stock of which is owned by minority group members. For the purposes of the preceding sentence minority group members are citizens of the United States who are Negroes, Spanish-speaking, Orientals, Indians, Eskimos, and Aleuts.

Included with the contract documents are copies of "Contractor's Minority Business Utilization Report" form, "Certification of Minority Status" form and "Information on Minority Business" form, pages B-8A, B-8B and B-8C-1 through B-8C-5, respectively, of the bid proposal.

Each bidder must complete, sign and file with his bid the "Contractor's Minority Business Utilization Report." The three lowest responsive bidders will also be required to submit a "Certification of Minority Status" for each minority subcontractor, supplier or vendor the bidder proposes to use to provide services or supplies under the contract. The report shall be completed and signed by the minority business enterprise and shall be submitted to the Awarding Authority by the bidder within five (5) days after the time set for receiving bids. At the city's discretion, one or more of the three (3) lowest bidders may also be required to submit the "Information on Minority Business" form.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through this department, to facilitate compliance with this requirement.

No bidder may withdraw his bid within thirty days after the actual date of receipt of approval of the federal government of the proposed award of the contract.

The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by both the Commissioner of Labor and Industries of the Commonwealth, and the United States Department of Labor. Where a conflict exists between the two wage determinations for any classification the contractor shall conform to the maximum "Minimum Wage Rate Determination," a copy of which schedules are annexed to the form of contract referred to herein. Copies of said schedules

may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 A.M., Boston time, Monday, October 3, 1977, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and all legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152 to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company named in the United States Treasury Department's Circular 570, qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

THE THREE LOWEST RESPONSIVE BIDDERS WILL ALSO BE REQUIRED TO SUBMIT A "CERTIFICATION OF MINORITY STATUS" FORM FOR EACH MINORITY SUBCONTRACTOR, SUPPLIER, OR VENDOR THE BIDDER PROPOSES TO USE TO PROVIDE SERVICES OR SUPPLIES UNDER THIS CONTRACT. THE REPORT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE BY THE BIDDER WITHIN FIVE (5) DAYS AFTER THE TIME SET FOR RECEIVING BIDS. AT THE CITY'S REQUEST, ONE OR MORE OF THE THREE LOWEST RESPONSIVE BIDDERS MAY ALSO BE REQUIRED TO SUBMIT THE "INFORMATION ON MINORITY BUSINESS" FORM.

CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE LIST OF MINORITY BUSINESSES TO BE PROVIDED BY THE CITY THROUGH THIS DEPARTMENT, TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, or the established wage rates of the Federal Government, whichever are higher, a schedule of both of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportu-

nity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152 to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority, at the above office address, before twelve o'clock noon Boston time, Wednesday, October 19, 1977, at which hour and place they will be publicly opened and read. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, or a bid bond satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and conditioned upon the faithful performance by the principal of the agreements contained in the subbid, in the amount as specified in the following for the various subtrades as listed below shall be submitted by each subbidder with his subbid as filed with the Awarding Authority.

Sheet Metal	\$ 15
Insulation	40
Automatic Temperature Control	2,00
Plumbing	25
Masonry	30
Electrical	60

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

This proposal is being made with the permission of the Economic Development Administration and is subject to the availability of funds.

ANTHONY L. GALEOTA,
Chief Structural Engineer.
